

# THE YADKIN RIPPLE

VOL. XV.

YADKINVILLE, YADKIN COUNTY N. C. WEDNESDAY, FEBRUARY 10, 1909.

NO. 50

## The Yadkin Ripple

Wednesday, Feb. 10 1909

—Shortest month.  
 —Sunday was a very disagreeable day.  
 —Prof. A. J. Martin was in town Monday.  
 —Mr. W. R. Shermer went to Winston Monday.  
 —Several new students entered the Y. N. S. Monday.  
 —The Yadkin Ripple, Home and Farm one year for \$1.00.  
 —The Editor of the Ripple made a business trip to Elkin Monday.  
 —Mr. Miles Gentry and Mr. Jno. Hutchens left last Monday for some point in Iowa.  
 —Misses Adeline Speas and Adeline Shelton, Huntsville, were visiting in town Monday.  
 —The nice residence of Mr. M. W. Mackie has been completed and will soon move into it.  
 —For \$1.50 you get the Yadkin Ripple and the Union Republican 12 months.  
 —Mr. J. C. Ray after spending a week or more in this county returned to his home in Tennessee.  
 —The Missionary Conference held the Presbyterian church last Friday and Saturday was well attended.  
 —Mr. and Mrs. Dillard Shermer have moved into the dwelling recently vacated by Mr. Sivester Mackie.  
 —The firm Shore & Douthit are planning to build a new store building. It will be a brick structure two stories high.  
 —Miss Lela Williams, of East Bend, and Mrs. Jno. Williams, of Louisville, were attending the Missionary Conference the past week.  
 —Notice, for sale 200 bushels of black spring oats at 60cts. per bushel while they last. Manney Williams, Yadkinville, Route 2.  
 —Mr. Frank Bland, of Rockford, N. C., is at work on an air ship. Frank got his ideas from a visit to Jamestown a year ago and evidently believes when his vessel is complete the problem of navigating the air is solved.  
 —At Scott's Hill, New Hanover county, a few days ago, a negro boy, a pupil in a school, became enraged at a teacher, got his shotgun and fired on a party of children in the school yard. None of the children were seriously hurt.  
 —The old time plank fence around the public square in Yadkinville shows signs of age and is gradually disappearing. Why not sell the remains at public auction and appropriate proceeds of the sale to the beautifying of the grounds.  
 —Mess. Jno. Long President, H. D. Williams Sec. and Treas. and other officers of the Yadkinville Telephone Company were in town Monday looking after the interest of the Company. It is hoped that night and Sunday services may be put on for Yadkinville.  
 —The Commercial Poultry, a Journal published at Chicago, states that "strictly fresh eggs have been retailing at 60c per dozen in New York and Chicago" for the last month. They have been running along about 20c per dozen here. If our hens knew the art of laying "strictly fresh" eggs and getting them to market within "two weeks," the eggs here might command bigger prices and there would be no need of the hens "going on a strike" no matter what sort of weather.

### STRAWS FROM BUCK SHOAL.

Reubin Alfred, son of Mr. M. D. L. Allred is very ill with Pneumonia.  
 A little child of Mr. Frank Pinnix died quite recently of Pneumonia and was buried at Asbury M. E. church. Rev. W. V.

Brown conducting the funeral service.  
 The young ladies of the Shore school had a basket supper at that place on the night of Feb. 5. The proceeds to go to purchase an unabridged dictionary.  
 The young of the Oak Grove school have a very interesting debating society. The subject for their next discussion is: Resolved that North Carolina is as good as any state.
