Great Niece of Andrew Jackson Living in North Iredell

Olin, Sept. 22—There is a good woman in north Iredell with a history and pedigree interesting, not to say spectacular. Her name is Mrs. Mary Isbell Sprinkle, nee Bolin. She is a native of Davie county. Her age the 20 of last March was 80 years. She has been a widow a long time. This good woman is a great niece of "Old Hickory" Andrew Jackson, late President of the United States. Her mother, Mrs. Elizabeth Jackson, was a niece of Andrew Jackson and a daughter of Alexander Jackson.

Outside of her relationship to "Old Hickory," Mrs. Sprinkle is a most excellent Christian lady, full of the most interesting reminiscences in the past 75 years. She is the mother of Mrs. G. W. Batty who lives near Harmony. She was an inmate of the home of the late Hon. R. C. Puryear for eight years and was married in his home. The marriage ceremony was performed by Mr. Puryear himself, many of the best people from several counties near being present, Mr. R. C. Puryear attorney at law in Yadkinville at this time, calls Mrs. Sprinkle "mama" and is almost as much devoted to her as if she was his own mother.

Betsy Ann Clingman, sister of the late Hon. Thomas L. Clingman, was wife of the

Hon. R. C. Puryear. Mr. Jno. H. Sprinkle, son of Mrs. Sprinkle, is now high sheriff of Davie county.

It has been my pleasure to know this good woman for two or three years. She lives with her son-in-law, Mr. G. W. Batty most of the time, and any one visiting that hospitable will enjoy a feast of good things. Mrs. Sprinkle is an optimist and says she always has been. I imagine I can see a good deal of that grand old hero, "Old Hickory," in this good woman. I feel very sure many of your readers will be interested in the facts given above.—J. A. Stickleather, in Statesville Landmark.

For soreness of the muscles whether induced by violent exercise injury, Chamberlain's Liniment is excellent. This liniment is also highly esteemed for the relief it affords in cases of rheumatism.

Sold by all dealers.

—FOR SALE: Some choice pigs, suitable for pork or breeding. See J. D. L. Sampson, Yadkinville, N. C., Route 1. b-8-29

Now is the time to get rid of your rheumatism. You will find Chamberlain's Liniment wonderfully effective. One application will convince you of its merits. Try it. Sold by all dealers.

Accused Of Stealing
E. E. Chamberlain, of Clinton Me. boldly accuses Bucklen's Arnica Salve of stealing the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c. at all druggists.

COURT IS NEXT WEEK.

During Court week, which is next week, we expect to see a great many of our friends and subscribers in town. As this is always an occasion for a lot of people to come here who never come any other time.

We will be glad to see you, all of you, if we don't see you on the streets, come around to the office where you will find a cordial welcome. If you have a spare dollar bring it along and we want object to you leaving it here on your subscription account. We don't need the money but our creditors do, but come and see us whether you have the dollar or not.

A Communication

MR. EDITOR:

In the Ripple of Sept. 20th there was something said in regard to "Crack skull" or "Corn liquor" flowing in abundance in Buck Shoal Township, probably this was said in a joking way, but for fear some might read and believe I want to state a few facts in behalf of Buck Shoal. In the first place I wish to state, I do not believe there is a Township in the county any freer from the whiskey traffic than Buck Shoal. I have traveled through the Township most every day for seven years and have seen or heard of very little "Crack-Skull" as you put it. The Citizen ship is good; and we have and are furnishing some as good county officers as the county has ever had. Then she has one other record of which she should justly be proud, and which I know cannot be beat in the State, (outside of the cities) and that is she furnished last year twenty seven public school teachers who were actually engaged in teaching in the public schools of this county and others. The Sunday Schools are very great and churches are situated almost upon every hill top.

[The above refers to a local in regard to a visit of Mr. Crater to Buck Shoal and was not intended to cast any reflection on Buck Shoal township, as the people of Buck Shoal are all good people and we would not hesitate to help them in every way possible.—Editor Ripple.]

HOPE

What a pity it is that brightest hopes are the ones that are seldom realized. A man seldom marries the winsome maid he wrote verses about in his sophomore days. The girl seldom weds the handsome hero in real life, who must be like the novel heroes she had read about and loved secret.

Hope is the alpha and omega of life. Love—the best and noblest impulse within us—and when that dies we have but the shattered casket left which once imprisoned the jewel.

Hope lives longer, except in rare instances, in women hearts than in men's.

A man has no use for a blasted hope; he flings it from him and resolutely turns upon it.

A woman hugs it to her bosom while there is a shred of it left and endeavors to make a root of its splinters and waters it with her tears.

There are earnest, true, beautiful hopes, and there are siren hopes that are but mockeries and cheats—illusions that fade like vapors.

No life is so dreary and lonely that it should deny hope a resting place within its portals. For next to love hope is the gift of the god—Laura Jane Libby.
