## Railroad Meeting Was Very Enthusiastic One

The Railroad meeting held here Monday was not largely attended as there was but few people here but all seemed to be enthusiastic over the road. The Randolph & Cumberland is the name of the new road and is to run from Cameron via High Point, Winston and Yadkinville, on to Elkin and connect with the E. & A.

Speeches were made by several business men and farmers favoring the voting of bonds to the amount of \$100,000, to help build the road through this county. Winston township will vote on the question of issuing the same amount of bonds on Dec. 11th. At the next meeting of the County Commissioners the election will probably be called.

Should this road be built or bonds voted it will in no way interfere with the construction of the Statetville Air Line.

The man who sells his tobacco with the Leader Warehouse, Winston, N. C. is always the best pleased. We know how to sell tobacco and we are in position to get the bids that count. We do not claim everything but we deliver the goods, or in other words, we sell your tobacco for more money than any other house in the State.

The Leader sold nearly twice as large a percent of the tobacco sold on the Winston market in October 1911 as it did in October 1910. Why has our business about doubled over last year? There is a reason. Ask a Leader customer and you will let us sell your next load or tierce.
