County Chairman
J. L. Crater

Such is the choice of a majority of the Republican voters of Yadkin County expressed through their delegates in convention Monday in the Court House. The convention was called to order at 2:45 P. M. by Chairman J. A. Logan, with W. E. Rutledge, Secretary. On motion this temporary organization was made permanent.

The first thing taken up was the nomination of a candidate for the House of Representatives. Three candidates were placed in nomination, these being A. S. Spear, J. A. Gray and Wade Reavis. Mr. Reavis received 44 votes on the first ballot and was declared the nominee. W. H. G. Wooten was nominated by acclamation for Register of Deeds. Six ballots were required to select a candidate for Sheriff, Mr. Poindexter winning by a small majority. Mr. Fletcher thanked his friends for their support and withdrew his name after the third ballot.

Selecting a candidate for Treasurer was a still harder problem as there were nine men seeking this place. On the eleventh ballot J. H. Dobbins received 37 votes, one more than was required to nominate, and that part of it was settled.

By this time the delegates were getting tired and the remaining part of the ticket was made up in a hurry.

The court house was crowded and jammed long before the chairman called the convention to order, not even standing room being available.

The convention was harmonious throughout the entire proceedings and everybody was apparently satisfied with the ticket as selected, which is regarded as a strong one composed of some of the best citizens of Yadkin County.

Seventeen delegates were elected, two from each township, to attend the State Congressional and Senatorial Conventions, and they were sent uninstructed.

All Lemonade Stands will be charged \$2.50 each to help defray the expenses of speakers and other expenses.

Boonville Boy Saved At Point Of Death

St. Louis Mo., July 29.—Although he realized that his own body would receive the full voltage from a high tension wire carrying 650 volts of electricity, Charles Bizart yesterday climbed to the top of a tall ladder and rescued Thomas C. Angell, of 1941 Wright street, St. Louis, (formerly of Boonville, N. C.) who had come in contact with the wire and received the full voltage. Both men finally were rescued from their perilous position, but had narrow escapes from death. Angell is the most seriously injured, having been shocked almost to death, and injured when he fell 20 feet to the ground, and was taken to St. Elizabeth's hospital in an ambulance, where he is reported improving slowly.

County Sunday School Convention

The Yadkin County Sunday School Convention will be held this year at Asbury M. E. church August 17 and 18. The features of the convention will be the annual address by Prof. W. D. Martin of East Bend, on Saturday at 2 o'clock, and the annual sermon to be delivered by Rev. R. P. Coram on Sunday morning at 11 o'clock. The address of welcome will be made by Mr. A. D. Gentry and the response by Prof. A. J. Martin. The program has many other interesting features.

Heretofore the Sunday Schools in different sections of the county have been some what lax in sending delegates to the county conventions. We are requested to insist that every Sunday School send delegates, etc. This is an annual occasion of much more importance than is generally imagined.

Taft In November

Many a Democrat has been elected in July, only to be buried under an avalanche of votes of votes in November. Mr. Taft's prospects are now at their lowest ebb. First driven by treachery and shameful abuse to the extreme of undignified personal defenses, then fought with unexampled bitterness in his contest for a deserved renomination, and now confronting not only an open detachment from his own ranks, but also a most resourceful and daring Democratic opponent, his record of accomplishments upon which he must ultimately rely is for the moment eclipsed. But the fact that few presidents have rendered more valuable service under trying conditions remains. Mr. Taft's fidelity, conscientious endeavors, his singleness of unselfish purpose his purity of intent, his noble achievements, are forgotten only for the time. They will be recalled with gratitude and emphasized with effect.—[From Harper's Weekly, which is supporting Wilson.]

The Elkin Times has been turned into a Roosevelt Progressive organ.
