Old Soldiers are Coming Tomorrow

We learn with pleasure that a great many of the old soldiers of the county are coming here tomorrow to participate in the memorial exercise. The people of Yadkinville are preparing to give them a good time.

A large table will be spread and a good dinner prepared for all the soldiers present. If the weather is favorable this table will be spread on the court house square, and if not it will be set in the hall of the court house. There is in the county about 125 old soldiers and the best estimate we can give of the number that will be here tomorrow is 80, but it is hoped that more can come. Several of them are disabled for various reasons, some are infirm from old age and are unable to get to Yadkinville.

Ex-Governor R. B. Glenn is scheduled to make the principal address, with Mr. J. C. Pinnix and others of local talent to make short talks.

Blockade Plant Destroyed

As a result of a raid made by Sheriff Poindexter and Deputies Gregory and Wishon a large capacity copper still was brought to town early yesterday morning. It was found five miles south-west of Yadkinville in a large tract of timber lands and just been abandoned by the operators when the officers arrived on the scene.

Besides destroying the furnace and other paraphenilla of the plant the officers captured a pair of overalls, red-handed, and destroyed between six and seven hundred gallons of perfectly good beer, that would have been made into perfectly good whiskey, and that within a very few days. There was no one at the still and it is not likely that any one will be arrested on account of the raid.

YADKIN SUPERIOR ADJOURNED TODAY

The November term of the Yadkin Superior Court opened Monday morning at 9 o'clock with Judge E. B. Cline of Hickory, presiding and Frank Linney of Boone, prosecuting. A large crowd was in attendance the first day, and court adjourned last night. The largest cases on the docket for trial were continued. The proceedings in brief were as follows:

The case against J. Lee Norman, former cashier of the Yadkin Valley Bank at East Bend, and R. B. Horn, a prominent business man of Lynchburg, Va., both accused of being responsible for the failure some time ago, of the aforesaid bank, was continued for the reason that Norman was unable to be here. He is said to be in very bad health, and it is doubtful if he will ever be able to come to court. Mr. Horn was here with an array of legal counsel to fight his part of the case. He is being represented by Attorneys, A.

E. Holton and Manly, Henderson & Womble of Winston-Salem, E. L. Gaither of Mocksville, and S. Carter Williams of this place.

In the case of State against Tom Martin, Tom Hamlin, Arch Long and Sam Biting, all colored, charged with taking a prisoner from Constable J. E. Shugart, the jury returned a verdict of guilty against all but Arch Long, who has never been taken. Tom Hamlin, alleged leader of the gang, was sentenced to the county roads of Forsyth county for a term of twelve months and pay one third the cost. Tom Martin was fined \$50 and ordered to pay Shugart \$75 for injuries to his person in the scuffle during the scramble. Sam Biting was given the same sentence as Tom Martin.

Charlie Graves was found guilty of whipping a boy and judgement was suspended on payment of the cost.

Dave Joyner was found guilty of manufacturing liquor contrary to the laws of the State and was given a sentence of 18 months on the public roads of Forsyth county. Notice of appeal was taken in this case.

Green Smith, colored was given 12 months on the roads for resisting an officer. He was arrested a few days ago and says his home is in Charlotte.

Nicholson Killed By Myers Last Night

Meet and Renew old Grudge and Killing Follows in Short Time

As the result of an old grudge between Harry Nicholson and Luke Myers, both of whom live near Hunting Creek church, this county, Myers killed Nicholson near his home some time last night. According to the best information obtainable here this morning the shooting was done in self defense. The two men met and the old grudge was renewed when Nicholson made an attack on Myers. Myers realizing the condition fired a load of shot from a shotgun into the side of Nicholson killing him instantly.

Nicholson has served about seven years in the U. S. Army, and while in there married Miss Rosy Coffin, a nice young woman of the Hunting Creek community and they have four children. Myers has a wife and two children. Nicholson, we are told, was considered a reckless sort of a fellow and was often seen with other people.

Deputy Sheriff's Wishon and Gregory got over and arrested Myers and brought him to town today at 12 o'clock, but we cannot give the result any further. It is supposed that Myers will be placed in jail at least until a preliminary hearing can be arranged.
