Rev. M. T. Hinshaw, Of Rutherford College Resigns After Exposure

HICKORY, APRIL 18;—Rev. M. T. Hinshaw, for 15 years president of Rutherford College, a denominational school resigned today after a meeting of the board of trustees, which followed the exposure this week of Hinshaw's intimacy with a young girl who worked in his office. The girl's name was not given. College students, headed by young Edward Conrad, of Spencer, suspected unbecoming relations between Hinshaw and the girl some time ago. Conrad concealed himself in a room over the president's office and took pictures of Hinshaw and the girl, which it is alleged shows them in a compromising position. After this, the story goes, Hinshaw received a letter signed "K. K. K." which directed him to place \$500 in money in a certain spot and not talk. This Hinshaw refused to do and the exposure followed. Hinshaw issued a statement saying he was the "victim of circumstance and unguarded relations" and would say nothing further.

Rev. Melvin T. Hinshaw, around whom the above story is written, is a native of Yadkinville, the son of Mr. and Mrs. Mart Hinshaw, a highly respected family, and has many friends here who hesitate to believe him guilty of improper conduct. Whether he is guilty or not, he is the victim of a plot that is nothing short of blackmail, if the dispatches are true.

HOPE FOR RECOVERY

MRS. DOUGHTON DIES IN SPARTA

Well Known Alleghany County Woman Succumbs at Age of 83; Death Was Expected

Many friends here as well as in the community in which she had spent a long and useful life were saddened by the death on Thursday night at 10 o'clock, at the home of her son, Dr. J. L. Doughton, at Sparta, of Mrs. Mattie A. Doughton, widow of the late Joseph B. Doughton.

For the past two months, Mrs. Doughton had been confined to her room, and for two or three weeks death had been constantly expected.

Prior to the beginning of her illness, which was diagnosed as acute uremia, she had been unusually active for a woman of her advanced age, 83 years. Since the death of her husband, 13 years ago, Mrs. Doughton had made her home with her son, Dr. J. L. Doughton, at Sparta, who with two other sons, Marvin and Charles Doughton, of the vicinity of Sparta are the only surviving children. The deceased was one of the most sincerely beloved women of the community in which she lived.

The married friend tells us making love to your wife is like asking the boss for the job you already have.

A young lady tells us he would make her a much better wife if he would make her a better husband.

The condition of James Greenwood, who was seriously injured in an automobile accident last Sunday evening, appears more favorable for recovery than earlier in the week, and the latest reports from his bedside are that he is resting more comfortably than could have been expected, considering the extent of injuries sustained.

The accident, which came near costing the life of the young man, occurred at eight o'clock Sunday evening, about three miles out of town between Jonesville and Brooks Cross Roads, as Greenwood and Will Reece, a lad of sixteen years, who was at the wheel of the Studebaker car in which they were driving were returning to town after a little spin to the country.

Blinded somewhat by the bright lights of a Nash car which was approaching from the opposite direction, and traveling, it is said, at a high rate of speed, the wheels of Greenwood's car hooked the rear bumper of the Nash, twisting the latter directly across the road, and overturning Greenwood's Studebaker. Both Greenwood and Reece were hurled with terrific force against the concrete road bed, the former evidently having gone thru the windshield, which split his face wide open, cutting a long deep gash extending from his forehead thru his nose to the bottom of his chin. His spine was also injured to some extent, but not broken as was feared before an x-ray examination was made. The Reece lad was cut and bruised about the body, his wounds not being of a serious nature. Neither of the occupants of the

TELLS FARMERS' VIEWS ON FREIGHT

James Menzie Declares Objection Is to the Carload Minimum Imposed by Carriers

Atlanta, Ga., April 20.—Small acreage farmers in the south do not object to fertilizer rates as much as they do to the carload minimum imposed by carriers, James Menzie, freight traffic manager of the Atlantic Coast Line railroad testified today at the investigation here into fertilizer rates in the south.

The investigation was ordered by the interstate commerce commission.

Relations which prevent loading of less than fifteen tons of fertilizer in a freight car impose restrictions on the small farmer. Mr. Menzie testified, which are more disastrous to his crop production than transportation rates.

Carriers are presenting their side at the hearing. It will continue all week.

Another hearing at which chippers will give their testimony will be announced later by Commissioner Eastman.

Most wrongs are ignored on the principle that if you don't look to see if your tire is flat you won't have to fix it.

Nash, Miss Iva Nixon and Mr. Cash, of Winston-Salem, sustained injury and their car was only slightly damaged. The Studebaker was almost demolished.

The victims of the wreck were rushed to the local hospital as quickly as possible after the accident. Members of the family and the numerous friends of Mr. Greenwood were exceedingly anxious on account of his condition but strong hope for his recovery is now entertained should no serious complications develop.—Elkin Tribune.

PAUL CROUCH

Paul Crouch of Wilkes county, and who worked a short time in the Ripple office, received a sentence of 40 years in prison on a charge of spreading communistic doctrine in the army which he joined a year ago.

The father and mother of Crouch are now living in Wilkes county and are respectable people. They are loyal to their country and their flag. Young Crouch was always a wonderer and a great reader of books, taking special delight in social literature.

Crouch can speak seven different languages pretty well and is otherwise well educated.

BILLY SUNDAY, AMERICA'S MOST WIDELY KNOWN PREACHER, WILL SPEAK IN ELKIN NEXT MONDAY MORNING, APRIL 27, 10:30 O'CLOCK

For several weeks the ministers and Kiwanians of Elkin have been planning for a Billy Sunday meeting here. Last Saturday a delegation representing the ministers and Kiwanians went to Winston-Salem and extended a personal invitation to the great evangelist. The invitation was taken under consideration, and Monday President W. G. Miller of the Kiwanis club received a letter advising him of Mr. Sunday's acceptance of the invitation. The date was set for Monday, the 27th, at 10:30 o'clock. One of the warehouses here is being put in condition to accommodate the mammoth crowd that will be on hand to see and hear the man whom they have heard and read so much about. It is estimated that between four and five thousand people can be accommodated in the auditorium which is being seated and equipped for this meeting. The people of Elkin invite all people in this section to come in for this great event. The committee on arrangements is planning to make every effort to see to it that everybody gets an equal opportunity to hear Mr. Sunday. Seats will be reserved for the aged people. For them a section will be reserved. The meeting will

begin promptly on schedule time. In keeping with the custom of the evangelist, a free will offering will be taken during the meeting, all of which goes to that great Christian institution at Winona Lake, Ind., which is largely supported by Mr. Sunday. Mr. Sunday does not know how many of these outside trips he will be able to make during his stay in Winston-Salem, and it is the opportunity which thousands of people in this section may never have again. Take a day off and let's make it a big Sunday day in Elkin. Monday, next Monday, the 27th, at 10:30 o'clock.
