Middle West Proves Willkie Stronghold; Solid South Still Solid

WEST IS FOR PRESIDENT

New York, Nov. 6.—President Roosevelt's third-term victory over Wendell L. Willkie was building up today toward another electoral college landslide.

Wendell L. Willkie telegraphed President Roosevelt congratulations on his reelection.

The new deal is in for another four years at the White House and at least two more on Capitol Hill, but Willkie appears to have piled up the largest vote ever cast for a losing candidate.

Those results of the 1940 election were indicated hour by hour last night. In more complete returns today the President's reelection became a mathematical certainty at 9:40 a. m., e. s. t., when the national press tabulation showed 20 states with at least 266 electoral votes had given him safe pluralities. Some precincts were missing. But the battle was over.

The new deal had broken through Republican defenses in New England and in the great industrial states of the Middle East. The Solid South held solid and the Far West went to Roosevelt, although Oregon was fighting ground. The Middle West proved a Willkie stronghold.

The President told his Hyde Park, N. Y., neighbors that they would find him "the same Franklin Roosevelt that you have known for a great many years." His first public appearance as President elect was scheduled at noon—with the laying of a cornerstone for the Hyde Park, N. Y., post office. This occasion may enable him to give a first hint of the policies of his third administration.

BIG BATTLE SAID RAGING

Greek and Italian Armies Reported Locked in Death Struggle

SUCCESS IS REPORTED

Nov. 6.—Greek and Italian armies were reported locked in a tremendous battle today as Great Britain and Germany clashed in big-scale sea and air operations.

A conflict of great importance is raging in Greece, the Italian official radio reported, asserting that Fascist troops are advancing on both northern and southern fronts after bitter fighting in which many Greek prisoners were taken.

The Fascist version of the war conflicted with reports of further Greek advances, especially along the road to Koritza, big Italian base in Albania. An Italian fortified line guarding the Koritza road was reported smashed by Greek mountain troops, which surged forward to seize a new line of hills on the northern front.

The Greeks had been reporting successful progress since they smashed the initial Fascist drive toward Florina (which was heavily bombed by Italian planes again today) and Salonika on the north wing. The Greek mountain troops sliced into Albania at the extreme northwestern corner of Greece (where Greece, Albania and Jugoslavia meet) and had advanced almost to Koritza after crossing the Devoli River yesterday afternoon.

Mr. Shore Thanks Yadkin Voters For Their Support

Miles F. Shore, the newly elected senator in the 24th Senatorial district, including Yadkin, Wilkes and Davie, issued the following statement to his friends and neighbors here yesterday:

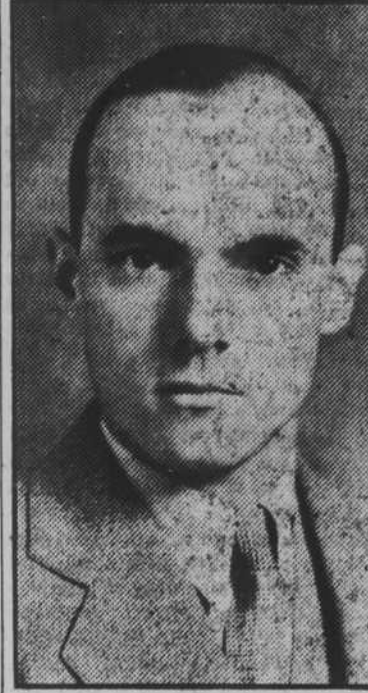

"I want to thank the voters of Yadkin county for the support you have given me in this election and I especially thank my neighbors and friends of my home township of Buck Shoals, and all neighboring townships for their loyalty to me.

"And I again pledge myself to serve the people of this district to the best of my ability, and will at all times be open to the suggestions of the people of the district."

Woodhouse Takes Buggy Ride in a Tumble

Early Returns Smash Hopes of Short Lived Victory of Democrats

NORMAN LEADS TICKET

Yadkin county Republicans went to the polls Tuesday, over 4,000 strong, to defeat all Democratic candidates in the field, including three who won office in the election two years ago.

Old time majorities were piled up by all county-wide candidates, and each Republican candidate for county commissioner in the Woodhouse-Kelly made to order political districts won over their opponents by comfortable majorities, ranging from 528 majority for J. Will Garner over Tuttle Allen in the South Knobs—Buck Shoals district to 38 for Ray T. Moore over D. A. Reynolds, Democrat, in the Deep Creek—South Liberty district. D. A. (Yank) Smitherman defeated Rev. Chas. H. Hutchens in the East Bend—Fall Creek district by a majority of 294, while Charlie G. Mathis won over J. Wade Shore in the Boonville—North Knobs district by a majority of 106. Harrison Dinkins majority over Dr. H. A. Brandon in the Yadkinville—Forbush district was 54.

Wade Shore and D. A. Reynolds were elected two years ago, along with Frank Woodhouse for representative on the Democratic ticket, the first time in 60 years the county had been under control of Democrats. Mr. Reynolds lives at Yadkinville and is chairman of the present board.

Woodhouse Tails
The majority piled up by Hovey Norman, Republican nominee for the house leaves Woodhouse to tail the voting in Tuesday's election in Yadkin. Woodhouse took one of those down hill buggy rides he made famous during his rampaging days in the last legislature where he tried everything from abolishing the parole commissioner's office down.

The picture of each Republican commissioner elected and that of the new representative appears on the front page.

The picture of Miles F. Shore, newly elected senator from this district, was loaned to a North Wilkesboro paper some time ago who failed to return it.

Shore's Majority
Miles F. Shore of Cycle, this county, was elected senator from the 24th district, Yadkin, Wilkes and Davie counties, by a majority of more than 2,000. Complete returns were not in last night. His majority in Yadkin was about 1,200, and about the same in Wilkes. In Davie county he lost by about 150 votes. The entire Democratic ticket was elected in Davie county.

The vote for President, Governor and Congressman was not in last night, but it is believed they will run along near the representative and senator, with perhaps Roosevelt leading the Democratic ticket.

The Board of Elections meet in Yadkinville today to tabulate the vote and the exact vote will be noted at that time.

Despite rain in the afternoon Tuesday almost every voter in the county cast a ballot, there being about 7,500 ballots cast in the county.

Card of Thanks From Mr. Moore

I wish to thank the voters of Deep Creek and Liberty Townships for their loyal support in Tuesday's election. May I express also my appreciation for the efforts of my friends who made my election possible.

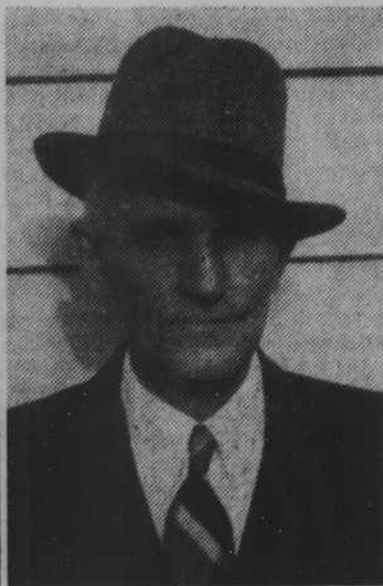

I pledge myself to serve the people of Yadkin county to the best of my ability.
