

THE ENTERPRISE.

"YIELD NOT TO DISCOURAGEMENTS."

NO. 9.—SEPT. 1, 1885.—SALEM, N. C.

INTRODUCTION.

KIND Patrons and Friends: When we began publishing THE ENTERPRISE, we did not think of continuing it beyond Vacation, but emboldened by the encouragement which has been given us, we now start out again, with new type, and with renewed energy and zeal.

Hoping our enlarged paper will meet with the approbation of our friends we remain, Very Resp.
