

CASWELL NEWS.

This is Leap Year. Mrs. Dr. Gunn, of Farmville, Va., is visiting friends in town. Children's school shoes at Florence, Harrison & Co's. Miss Ida Potcat is visiting friends at Lake Forest. See the new Collar Button at Wilson's. It is the latest thing out in that line. Miss Mary Chandler, of Va., is visiting her sister, Mrs. A. Y. Chandler. Attention is particularly called to our light weight over coats, J. M. Neal's sons. Mr. W. N. Harrelson moved into new house this week. Know all men by these presents that you get the bottom prices at Neal's. Dr. Joyner, Dentist, of Blackwell's, will be in Yanceyville from the 11th to 13th, inclusive, of January 1888. Ammunition, shells, primers and wads at the lowest prices at Neal's. Rev. Mr. Thompson will occupy the pulpit at Methodist church next Sunday, morning and night. Subject at the Baptist church next Tuesday night, "The Star of Bethlehem." One half our miseries in life are imaginary, and therefore unnecessary; and the other half are made doubly bitter by the nursing we give them. The board of county commissioners met last Monday. All present but J. W. Allen, Esq. Nothing was done but the auditing of claims and providing for the poor and outside paupers. If you want any kind of Rubber Stamps, Printing Wheels, Self inkers, Stamps and Ink for marking clothing, Pen and Pencil stamps and Stencils and Stencil Inks, as cheap as you can buy them North or anywhere, call at post office. The sheriff, according to promise, has waited on delinquents to the limit allowed by the law. In another column will be found advertised for sale on the 1st Monday in Feb. a number of tracts of land and town lots, and he says he will be compelled to sell if the parties do not come up and pay the taxes due including costs. The county board of education was in session Monday and Tuesday appointing the school fund. There was \$5960.67 to be apportioned, \$79.67 was set aside as a reserve, and two-thirds of balance was apportioned giving each child, white and colored, 70 cents. The remaining third was divided between the whites and colored in a way to make the white terms equal with the colored terms there being nearly twice as many colored children registered. Give Them a Chance!

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them. When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well. Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are dead. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain. Look Out!—All persons are forbidden to trespass on any land either by day or night with or without dogs or guns. All persons so doing will be prosecuted to the extent of the law. J. L. MURRAY.
