Headache,

Pain in the Side and Back, and Constipation, indicate that the digestive and excretory organs are in a disordered condition, and that a laxative is needed. For this purpose, Ayer's Cathartic Pills are the best medicine that can be used.

Ayer's Pills are a never failing remedy for Headaches caused by a Disordered Stomach. I suffered for years from this infirmity, and never found anything to give me more than temporary relief, until I began taking Ayer's Pills. This medicine always acts promptly and thoroughly, an occasional dose being all that is required to keep me in perfect health.—Mrs. Harriet A. Marble, Poughkeepsie, N. Y.

I have found entire relief from Constipation, Stomach troubles, and Nervous Headache, by taking Ayer's Cathartic Pills. I suffered a long time from these complaints, was under medical treatment, without obtaining relief, and a part of the time was unable to work. A friend, who had been similarly afflicted, urged me to take Ayer's Pills. I commenced using this remedy, and, by the time I had taken four boxes, was cured.—F. L. Dobson, Topeka, Kans.

DEMOCRATIC STATE EXECUTIVE COMMITTEE.

RALEIGH, N. C., Feb. 25th, 1888.

To the Democratic party of North Carolina:

At a meeting of the Democratic State Executive Committee held in this city, on the 23d of February, instant, it was resolved that the Democratic State Convention be held in the city of Raleigh on Thursday, the 30th day of May, 1888.

The said convention will be held for the nomination of candidates for the offices of Governor, Lieutenant Governor, Secretary of State, Auditor, Treasurer, Superintendent of Public Instruction, Attorney General, three Justices of the Supreme Court—one for the vacancy now filled by appointment of the Governor, and two to take their seats in case the number of Justices shall be increased by the vote of the people—and of two Electors for the State at large, and for the election of Delegates and alternate Delegates to the Democratic National Convention to be held in the city of St. Louis on the 5th day of June next. Also for the adoption of a platform of principles and the transaction of such other business as may come before it.

It will be observed that the State Convention is to be held earlier this year than usual. This was necessary in order that the delegates to the National convention, to be held the week after, may be selected. The National convention is called earlier than usual in order that the party may be better organized and a more thorough campaign made in behalf of its nominees and its great principles. The same advantage attends the earlier meeting of our State convention and nomination of its candidates.

The State committee respectfully urge upon the county committees throughout the State to take early action for the call of their county conventions, in accordance with the plan of organization which is published with this address, giving full notice of meetings in the different townships, so that *primaries* may be fairly held and fully attended. Thus the fairness of all nominations and other business done must be universally conceded. It is obviously important that every county shall be represented in the State convention by one or more of its own citizens, but if for any reason one cannot attend, provision has been made for the representation of the county by any person appointed by the chairman of the county convention, or in case of his failure to appoint, by one appointed by its secretary. For purposes of efficient organization it is desirable that all vacancies in the different committees be filled at once by active and zealous men.

At the recent meeting of the State committee it was made my duty to call special attention of the chairmen of county and Congressional executive committees to the necessity of immediate steps to provide for the election of delegates to the National Convention from the different districts. If it shall seem impracticable to call conventions to meet in some of the districts for this purpose, it is suggested that the end may be effected by authorizing delegates to the State convention from such districts to meet in Raleigh on or about the 30th of May in district conventions and elect delegates to represent the districts at St. Louis.

We have reason to know that our adversaries will make desperate efforts this year to restore the State to Radical rule with all its attendant evils. Let true men and good democrats attend the conventions of our party, resolved to present for the suffrages of the people men of character, integrity and *recognized fitness* for the offices to which they are nominated, and only such, and the continued supremacy of the white race, which is synonymous in North Carolina with the supremacy of the Democratic party, will be assured for another term of years.

For the committee.

Plan of Organization of the Democratic Party of North Carolina.

DEM. CENTRAL EX. COMMITTEE,

RALEIGH, N. C., Feb. 23, 1888.

The following is the plan of organization heretofore adopted by the State Democratic committee for the guidance of the party:

TOWNSHIP ORGANIZATION.

1. The unit of county organization shall be the township. In each township there shall be an executive committee, to consist of five active Democrats, who shall be elected by the Democratic voters of the several townships in meetings called by the county executive committee. And said committee so elected shall elect one of its members as chairman, who shall preside at all committee meetings.

2. The several township executive committees shall convene at the meetings of the several county conventions, or at any time and place that a majority of them may elect, and shall elect a county executive committee, to consist of not less than five members, one of whom shall be designated as chairman, who shall preside at all of said committee meetings.

3. In case there shall be a failure on the part of any township to elect its executive committee for the period of thirty days, the county executive committee shall appoint said committee from the Democratic voters of said township.

4. The members of the township committees shall elect to any vacancy occurring in said committees.

5. The county executive committee shall call all necessary county conventions by giving at least ten days notice by public advertisement in three public places in each township, at the court house door, and in any Democratic newspaper that may be published in said county, requesting all Democrats of the county to meet in convention in their respective townships on a common day therein stated, which said day shall not be less than three days before the meeting of the county convention for the purpose of electing their delegates to the county conventions. Thereupon the conventions so held shall elect their delegates to represent the townships in the county conventions from the voters of the respective townships, which delegates, or such of them as shall attend, shall vote the full Democratic strength of their respective townships on all questions that may come before the said county conventions. In case no convention shall be held in any township in pursuance of said call, or no election shall be made, the township executive committee shall appoint such delegates.

6. Each township shall be entitled to cast in the county convention one vote for every twenty-five Democratic votes, and one vote for fractions of fifteen Democratic votes cast by that township at the last preceding gubernatorial election *Provided*, That every township shall be entitled to cast at least one vote, and each township may send as many delegates as it may see fit.

7. In cases where townships consist of more than one ward or precinct, each of said wards or precincts shall be entitled to send delegates to county conventions, and shall cast its proportionate part of its township's vote, based upon the last preceding vote for Governor in said township.

8. The chairmen of township committees shall preside at all township conventions. In their absence any other member of said committees may preside.

9. In cases where all the township executive committees are required to meet for the purpose of electing county executive committees, said meetings shall be deemed to have a quorum when a majority of such townships shall be represented in said meetings.

COUNTY AND DISTRICT CONVENTIONS.

1. The several county conventions shall be entitled to elect to their Senatorial, judicial and Congressional conventions one delegate and one alternate for every fifty Democratic votes, and one delegate for fractions over twenty-five Democratic votes cast at the last preceding gubernatorial election in their respective counties, and none but delegates or alternates so elected shall be entitled to seats in said conventions: *Provided*, That every county shall have at least one vote in each of said conventions.

2. The chairman, or in his absence any member of the county, senatorial, judicial, and congressional committee, shall call to order their respective conventions, and hold the chairmanship thereof until the convention shall elect its chairman.

3. The executive committees of the senatorial, congressional and judicial districts, respectively, shall at the call of their respective chairmen, meet at some time and place in their respective districts, designated in said call. And it shall be their duty to appoint the time and place for holding conventions in their respective districts; and the chairman of said respective committees shall immediately notify the chairmen of the different county executive committees of said appointment, and the said county executive committees shall forthwith call conventions of their respective counties in conformity to said notice, to send delegates to said respective district conventions.

STATE CONVENTIONS.

1. The State convention shall be composed of delegates appointed by the several county conventions. Each county shall be entitled to elect one delegate and one alternate for every one hundred and fifty Democratic votes, and one delegate for fractions over seventy-five Democratic votes cast therein at the last preceding gubernatorial election; and none but delegates or alternates so elected shall be entitled to seats in said convention: *Provided*, That every county shall have at least one vote in said convention.

GENERAL RULES.

1. Such delegates (or alternates of absent delegates) as may be present at any Democratic convention shall be allowed to cast the whole vote to which their township or county may be entitled.

2. If no delegate or alternate shall attend a State convention from any county any person appointed by the President of the county convention, or on his failure by its Secreretary, may represent the county.

3. In all conventions provided for by this system, after a vote is cast there shall be no change in such vote until the final result of the ballot shall be announced by the chairman of said convention.

4. All Democratic executive committees shall have the power to fill any vacancy occurring in their respective bodies.

That the chairmen of the different county conventions shall certify the list of delegates and alternates to the different district and State conventions, and a certified list of said delegates and alternates to the State conventions, shall be sent to the Secretary of the State central committee. For the committee:

"How are collections to-day?" asked a man of a bill collector. "Slow, very slow; can't even collect my thoughts," was the reply.

The week just closed has been an unimportant one in leaf tobacco circles. The cold, harsh weather prevailing all over the tobacco section made the weed wherever found hard, crusty and generally out of handling order, the result of which was to cut receipts down to almost nothing, comparatively speaking. There was less leaf tobacco sold in the market than in any week since the delivery of the crop of 1887 began.—*Danville Register.*
