

THE CASWELL NEWS.

Entered at the Post Office in Yanceyville as second-class matter.

W. H. THOMPSON, - - EDITOR.

YANCEYVILLE, N. C. MAY 11 1888

Primal duties shine aloft like those charities that with, heal and bless, be scattered at the feet of men like flowers. The way of life has many dreary places in it. Its fortunes and its failures, its storms and its sunshine. Let him whom fortune has favored remember that it is but a duty that he help his neighbor whom misfortune has overtaken. Let him who is in the enjoyment of health and happiness remember that it is a manifestation of that christian spirit to visit the sick and the afflicted. If you do not know your duty in this respect, read the latter part of the 25th chapter of St. Matthew and you will not only find the duty enjoined upon you, but you will see that there is a punishment awaiting you upon your failure to do this duty.

May 7th 1888.

Dr. V. N. Seawell, by proper authority, met in the court house in Yanceyville, the delegates from the different Farmers' Alliances in the county to form a county organization. After appointing temporary officers, a committee of three was appointed on credentials consisting of Azariah Graves, Sr., J. B. Yarboro and J. W. Chandler; Country Line, T. L. Lea, A. Travis; Oliver's, M. Oliver, J. T. Oliver; Piney Grove, A. Graves, Sr., proxy; Yanceyville, W. B. Graves, W. G. Graves. Stony Creek, not represented.

The President appointed the following members a committee to nominate officers for the County Alliance: C. J. Yarboro, R. S. Mitchell, J. H. Ferrell, J. M. Long, T. M. McCrary, T. L. Lea, M. Oliver, A. Graves, Sr., and W. B. Graves, who reported the following: Col. Geo. Williamson, President; R. S. Mitchell, Vice-President; J. C. Pinnix, Sec'y; B. S. Graves, Treasurer; T. M. The President being absent, the Vice-President was conducted to the chair. Col. Pinnix said it would be impossible for him to act as secretary and offered his resignation and W. H. Thompson was elected to fill that position.

The CASWELL NEWS was adopted as the organ of the county Alliance and a motion was made requesting that the proceedings of this meeting be published in the Progressive Farmer.

After discussing several other matters concerning the organization a motion was made to adjourn to meet in Yanceyville on the 1st Monday in June next at 9 o'clock, a. m.

Gulford Court House.

The great celebration of the Battle of Guilford Court House has come and gone. The only speech that was specially prepared for the occasion was that of Judge Shenck. It is represented to have been elaborate, learned, able and eloquent. We are gratified to learn that the distinguished speaker proceeded to the satisfaction of his auditors, has the stigma of cowardice, which in tradition and history has attached to the North Carolina militia on that crucial day of conflict was wiped out by a careful and complete unfolding of hitherto neglected facts. The explanation which we are told, the orator made of the retreat of the North Carolina militia from the conflict, of which so much has been said and written, was that General Greene had ordered them to fire so many rounds and retire, and they literally obeyed orders. This explanation was shown by abundant evidence to be correct. This is the conclusion we had reached long ago.

That shrewd advertiser and consequently successful business man, John Wainmaker, thus remarks on the subject of advertising: "I never in my life used such a thing as a poster, or dodger, or handbill. My plan for fifteen years has been to buy so much space in a newspaper, and fill it up with what I wanted. I would not give an advertisement in a newspaper of 400 circulation for 5,000 dodgers or posters. If I wanted to sell cheap jewelry, or run a lottery scheme, I might use posters, but I would not insult a decent reading public with handbills. The class of people who read such things are poor material to look to in mercantile affairs. I deal directly with the publisher. I say to him: How long will you let me run a column of matter in your paper for \$1000 or \$500, as the case may be. I let him do the figuring, and, if I think he is not trying to make more than his share, I give him the copy. I lay aside the profits of a particular line of goods for advertising. The first year I laid aside \$3,000; last year I laid aside and spent \$40,000. I have done better this year, and shall increase the sum as the profit warrant it. I owe my success to the newspapers, and to them I shall freely give a certain profit of my yearly business."

What is this Disease that is Coming Upon Us?

Like a thief at night it steals in upon us unawares. The patients have pains about the chest and sides, and sometimes in the back. They feel dull and sleepy; the mouth has a bad taste, especially in the morning. A sort of sticky slime collects about the teeth. The appetite is poor. There is a feeling like a heavy load on the stomach; sometimes a faint, all gone sensation at the pit of the stomach which food does not satisfy. The eyes are sunken, the hands and feet become cold and clammy. After a while a cough sets in, at first dry, but after a few months it is attended with a greenish-colored expectoration. The patient feels tired all the while, and sleep does not seem to afford any rest. After a time he becomes nervous, irritable and gloomy, and has evil forebodings. There is a giddiness, a sort of whirling sensation in the head when rising up suddenly. The bowels become costive; the skin is dry and hot at times; the blood becomes thick and stagnant; the whites of the eyes become tinged with yellow; the urine is scanty and high colored, depositing a sediment after standing. There is frequently a spitting up of the food, sometimes with a sour taste and sometimes with a sweetish taste; this is frequently attended with palpitation of the heart; the vision becomes impaired, with spots before the eyes; there is a feeling of great prostration and weakness. All of these symptoms are in turn present. It is thought that nearly one-third of our population has this disease in some of its varied forms.

It has been found that physicians have mistaken the cause of this disease. Some have treated it for a liver complaint, others for kidney disease, etc., etc., but none of these kinds of treatment have been attended with success; for it is really constipation and dyspepsia. It is also found that Shaker Extract of Roots, or Mother Seigel's Cassia Syrup, when properly prepared will remove this disease in all its stages. Care must be taken, however, to secure the genuine article.

IT WILL SELL BETTER THAN COFFEE.

Mr. John C. Hampton, of Chulalimesa, Cleburne Co., Ala., writes: "My wife has been so much benefited by Shaker Extract of Roots or Seigel's Syrup that she says she would rather be without part of her food than without the medicine. It has done her more good than the doctors and all other medicines put together. I would not give twenty cents to get it into the hands of any sufferer if he can get it in no other way. I believe it will soon sell in this State better than coffee."

SEVERELY FROM SEVERE.

Mrs. S. E. Barton, of Varner, Ripley Co., Mo., writes that she had been long afflicted with dyspepsia and disease of the urinary organs and was cured by Shaker Extract of Roots. Rev. J. J. McGuire, merchant of the same place, who sold Mrs. Barton the medicine, says he has sold it for four years and never knew it to fail.

SEEK WAS ALMOST DEAD.

I was so low with dyspepsia that there was not a physician to be found who could do anything with me. I had fluttering of the heart and swimming of the head. One day I read your pamphlet called "Life Among the Shakers," which described my disease better than I could myself. I tried the Shaker Extract of Roots and kept on with it until to-day I rejoice in good health. Mrs. M. E. Tinsley, Bevier, Muhlenburg Co., Ky.
