The Democratic township convention of Yanceyville township, Caswell county, met at the court house in Yanceyville according to call of the county Executive Committee on the 1st of Sept., 1888, and called to order by H. J. Brandon, chairman of township Executive Committee. T. J. Florance Secretary of convention. On motion the convention appointed the following delegates to the county convention to be held on the 15th inst: J P Poteat Col Geo Williamson, Julius Johnston, J F Peterson, S H Williamson, W C Turner, John W Horton, A E Henderson, N L Lindsay, M Oliver, Abner Pyrant, H F Brandon, G W Manley, J C Pinnix, Jr., W B Graves, W W Adkins, W W Fitch, T J Foster, G L Williamson, T G Bennett, T J Florance.

The primary convention of Locust Hill township met at Adron's Shop Sept. 1st, and J. C. Allen was made chairman and R. A. King, secretary. The convention was called to order by the president, and the following delegates appointed to attend the county convention to be held in Yanceyville, Sept. 15th, 1888: [illegible] the various county offices: R. A. King, Jno F Hodgett, J B Wrenhim, [illegible] Tinsley, J C Cole, R B Stephen, R S Wrenhall. It was agreed upon by the said Convention that the delegates go instructed for [illegible] Legislature.

ADJOURN Pres.

The Republicans of Yanceyville township met at the court house on Saturday and John Williamson was elected chairman and Albert Bigelow, secretary. A [illegible]ston, Billy Hickory [illegible] and Orange [illegible] were selected as delegates to county convention and were instructed to vote for Col Cobbett for the Legislature, T. J. Cobb for Sheriff, Felix [illegible] for Register of Deeds and Geo O Williamson for Treasurer. This was the largest republican they have had for years and they were unanimous only in favor of the above men for the offices named. Only about [illegible] were present at the meeting which convened [illegible]

We learn that the township meeting held last Saturday night, the Radicals of Dan River township endorsed Mr. T. T. Dunnaho for Sheriff and W. P. Webster for the Legislature. Webster represented this county two years ago, but the impression prevails that Jim Dunnaho has anticipated him and fixed the township chairman and others so that Jim Dunnaho's nomination is almost certain.—*Advertiser.*

We are informed by a party who was present that our Jesse Henderson, from the town of Milton, presided at the above convention, in the extreme corner of Dan River township, and that there were just four persons present and that Henderson had his hour to get his four friends to consider themselves as legally appointed delegates from that township and go to the county convention instructed for Dunnaho but they returned and truly one declared for Graves. We are told that Dan River township is entitled to send delegates to county convention and he held this week, and no doubt we will be instructed for the "people's candidate"—R. S. GRAVES, for sheriff.

ALLIANCE NOTES.

[We are anxious that some one in each of the Alliances in the county will give us all the Alliance news and all other news in his section each week. And we would be glad to have short communications from the brethren for the good of the order. Make them short and to the point.]

Tribute of Respect.

From Brazos.

Hello! Mr. News man, why didn't you come to Pelham to day and be entertained and help us rejoice. Well, it was certainly a success, I mean the entertainment given by the Farmers' Alliance, as advertised in handbills (poo) sent out two weeks ago. Rev. Mr. Walker led off in a very happy speech which filled the occasion and was appreciated and enjoyed by the immense crowd that had congregated, although he gave town cigarette dudes a black eye and the country maidens some food for thought. John S. Johnston, of Rufin, N. C., followed in a well conceived and happy lecture which captivated and delighted the audience. He is magnetic as well as a common sense speaker and keeps the attention riveted while he pours down dose after dose of good sense, making audience alternately thoughtful and good humoredly applauding. Then dinner, the Alliance committee had tubs of ice lemonade all over the grounds with dippers plenty and all helped themselves. Plenty of dinner and all ate hearty. Wagon loads of watermelons and all sliced. After dinner Col. Withers, of Danville, (who is it in Caswell county that doesn't know and respect that able, honest, true lawyer) spoke. His speech was as highly appreciated and complimented as it could be. It was grand in conception, simple in delivery, noble in patriotism and enlightened many a farmer on the great problems of the day. The Alliance be eulogized in terms befitting the honorable man that he is. Every farmer in the county ought to have the pleasure of hearing him. Next, Col. Pickett, the State Organizer, spoke. Great Cæsar! he is a giant. A great many absurd theories he clouned up and answered all objections to the organization. If a few ignorants who fight the Alliance could hear him they would know what every one else knows already that they are giddy, silly-headed gueps who don't know much. About 20 ladies joined the Alliance that evening and there are now nearly sixty male members, and by the middle of the fall there will be over an hundred male members. That looks like they were doing something.

The township convention to-day was the largest ever attended at Pelham. J. H. Ferrell was made chairman and W. C. Swann Secretary. H W Wrenn, J F M Travis, J W Travis, J M Hodges, L P Goodson, C A Womack, G V Strader, J H Wilson, J W Coleman, J H McGee, and J H Ferrell were elected delegates to county convention, instructed for T. B. Walker for House of Representatives.

SECRETARY BUZZER.

Pelham, Sept. 1st, '88.

Encourage Your Local and State Papers.

Suppose everybody in the State would say: "I can get a New York paper for less money than I have to pay for the Richmond or Lynchburg papers;" then, we should have no State papers. Suppose everybody in this section would say: "I can get a Richmond paper cheaper than I can get a local paper;" then, we should have no local papers. But, State papers and local papers are both necessary, and ought to be kept up. We mention this because a certain gentleman, in a conversation with us the other day, seemed to think that we could compete with the Richmond weekly papers. No local papers can do that, and citizens of Danville and surrounding country, ought not to grudge us a few cents more for the *Times* than they have to pay for the big city weeklies. They are both cheap enough for almost every one to take both.—*Danville Times.*

Yes, support your home paper first and then take as many others as you like. The News is only $1.00 a year and every one should take it to get the home news.

Liver Complaint
Is more surely and speedily cured by the use of Ayer's Sarsaparilla, than by any other remedy. "I was a great sufferer from liver trouble, and never found anything that gave me permanent relief until I began taking Ayer's Sarsaparilla, about two years ago. A few bottles of this medicine produced a radical cure.—Wm. E. Baker, 25 W. Brookline st., Boston, Mass.

A Remarkable Cure.
Ayer's Sarsaparilla has cured me of as bad a case of Abscess of the Liver as any human being could be afflicted with and live. I was confined to the house for two years, and, for the last three months of that time, was unable to leave my bed. Four physicians treated me without giving relief, and, in fact, nothing helped me until I tried Ayer's Sarsaparilla. After using a quarter of a bottle of this medicine I began to feel better, and every additional dose seemed to bring new health and strength. I used three bottles, and am now able to attend to my business. I walk to town—one mile distant—and return, without difficulty. Ayer's Sarsaparilla has accomplished all this for me.—W. S. Miner, Carson City, Mich.
