The Garrett Fence Machine.

The best and cheapest Machine in the U. S. for weaving, picket and wire fence to the posts ready set in the field. 40 to 60 rods per day can be woven by it. The machine is built of the best material, painted, wiped and varnished. The fence made by it is the prettiest, most durable and in every respect the best fence for farm or other purposes. All the material can be bought and the fence can be built for from 30 to 40 cents per rod, exclusive of posts.

A good active agent wanted in every county in the U. S. Very liberal terms given to implement dealers. It is very convenient for canvassers, as a machine and tent can be carried in an ordinary buggy. Guaranteed to give perfect satisfaction. Illustrated circular and terms free on application. Address, S. H. GARRETT, Patentee and Manuf'r, 36 Marion ave., Mansfield, O.

Take Notice. I want to place a sample machine in every county in the U. S. before the fence building season opens next spring, and for that purpose I will give special inducements for the first order from each county during the next 30 days. The first orders will get the benefit of this special discount.

GEO. S. SARTIN, General Fire Insurance, Agent for Standard Fertilizers, and dealer in all kinds of NURSERY STOCK DANVILLE, VA. Orders and communications by mail solicited. Office at H. B. Guerrant & Co's. Groc Store, 430 Main St., Danville, Va.
