FORTY-THREE DIE IN AUTO WRECKS

Georgia Leads For Week With 13 Killed and 36 Injured

Birmingham, Ala., Nov. 10.—Forty-three persons are known to have been killed and 208 injured in traffic accidents in ten Southern States last week, reports collected today by the Associated Press from eleven States reveal.

The outstanding accident of the week near Nahant, Ga., when an Atlantic Coast Line train struck a bus loaded with singing children on their way to school. Eight were killed outright and 22 injured. Four died later in the week from their injuries, boosting the total fatalities to twelve. This put Georgia leading the list of fatalities. Florida ranked next with seven deaths.

Florida, with 91 injuries led that column while Georgia trailed with 35, the latter made up principally by the Nahant accident and week-end accidents in Atlanta.

Mississippi, so far as could be ascertained, escaped scot-free for the entire week, not a fatality nor an injury being reported.

Deaths and injuries by States follow:

States	Death	Injuries
Virginia	1	16
North Carolina	3	9
South Carolina	2	2
Georgia	13	36
Florida	7	91
Alabama	2	5

Thrift Week to be January 17th to 23rd

Mr. Stacy W. Wade has sent out the following in reference to Thrift Week.

"Doubtless it has already been brought to your attention that January 17th to 23rd has been designated as Thrift Week.

"It appears to me that this is an opportunity for our own Building and Loan Associations to take an active part and bring this to the attention of our entire citizenship. Certainly, thrift must be installed into our people and the method of saving cannot have a greater medium than our own local building and loan associations in their own respective communities. The shares purchased in building and loan associations are tax-free and are as safe an investment as a United States Liberty Bond. Could anything be safer?"

"Do you know that the assets of our building and loan associations doubled during the last five years and I am sure that if we continue to bring this subject of thrift to the attention of our own people there will be no limit to the growth of these institutions and we will eventually make our State a State of home owners."

"We want our people to own their homes; we want to see more, and not less of private property. We want North Carolina known for its thrift and home ownership. There is nothing so intimate; nothing so completely reveals personality, thrift and good citizenship."

"Bring this to the attention of your Director and have them authorize you to join with other associations in a real progressive thrift campaign for the week of January 17, to 23. Arrange to have some one or go yourself and talk Thrift to the school children; bring this week to the attention of your civic clubs, and in the meantime if I can serve you, please do not hesitate to command me."

STACEY W. WADE, Insurance Commissioner.

LITTLE EULA PEARL HALES PASSES AWAY

A very sad death occurred Thursday Nov. 5, when the Death Angel entered the home of Mr. and Mrs. Fred P. Hales, and laid his icy hand on their little daughter, Eula Pearl.

Eula Pearl was eleven years old, and she had been a sufferer of the Brights disease for some time, but pneumonia caused her almost sudden death, which made it all the harder for her friends and relatives to bear. Many have been the tokens and expressions of sympathy tendered the grief stricken parents by numerous kind friends, but the sweetest comfort to them is the blessed thought that their daughter has been transplanted from the sorrows of earth, to the joys of Heaven, and while she cannot come to them they can go to her, if faithful and true to the father's teachings. She leaves a father, mother, two sisters and two brothers, to mourn her death. The funeral services were conducted at Watkins Chapel. The interment was in the church cemetery.—A COUSIN

Mayor Daniel's Appeal to Join The Red Cross

As Mayor of Zebulon and a citizen of eastern Wake county, I appeal to all men and women "To answer the call of those who suffer in times of disaster, and to extend a helping hand to the unfortunate in our community and all over the world at all times. Everyone should take this opportunity to renew his allegiance to this humanitarian organization, and have a share in its great work."

"The American Red Cross represents the highest ideals of service in our community, and no more fitting tribute can be paid us than to say that we are closely linked with his great force for human welfare."

"I therefore call on every citizen to have a share in its beneficent activities in every part of our land by answering the Roll Call which opened Armistice Day and closes on Thanksgiving."

E. C. DANIEL, Mayor.

SENIORS ENTERTAINED

Misses Justine Davis and Ida Cahoon entertained the Senior Class and High School Faculty to a Halloween party Thursday night, Oct. 29 at the home of Miss Davis.

Upon their arrival the guests were met by a ghost who silently led the way to the back yard where there was a huge bon-fire. Each one was blindfolded and asked to take some article from a table. This article signified their future occupation. After this Halloween games were played around the bon-fire. Then they were led up mountains and down streams by the ghost. Miss Willa Horton won the prize for the best costume, after which fortunes were told. Then they were led into the witch's den where many gruesome sights met their eyes and amid howls and shrieks of fear parts of John Brown's dead body were passed around.

Apples, pop corn, and roasted marshmallows were served. As the guests departed, the hostesses gave them each a good-night (candy) kiss.

All the Seniors of the class of 1926 and a few of the members of the High School Faculty were present. This is the first entertainment given the present Senior class and everyone reported a very nice time.

No Mail Delivery On Christmas Day

Washington, Nov. 8.—An advance Christmas present for mail carriers and most other postal employees comes from Postmaster General New today in the form of an announcement that no delivery of ordinary mail would be made Christmas day.

From midnight, December 24, to midnight, December 25, all postal operations will be suspended except the maintenance of special delivery and the "relaying" of the mails so that they will be ready when normal delivery is resumed.

"It is realized that this experiment is a great undertaking," said Mr. New, "but it is believed that it is in line with the sentiments of the public and if this can be done without too great loss of service."

"It is confidently hoped that it will succeed and that our large force of workers in the field may for the first time have the benefit of a real holiday."

To make possible the Christmas shut-down, the "mail early" campaign has been launched already with renewed vigor. Postmasters have been directed to solicit the co-operation of newspapers, chambers of Commerce, school teachers, theaters, motion picture houses and every other publicity agent to stimulate co-operation.

BAPTIST STATE CONVENTION

The Baptist State Convention meets in the First Baptist church, Charlotte, next Tuesday evening the 17th inst. Pastors Theo. B. Davis and A. A. Pippin will go from our community. Rev. S. W. Oldham, of Wendell, will also attend.

Large attendance is expected in among other things of general denominational interest that will likely be considered, will be the election of all trustees in Baptist institutions by the direct vote of the Convention. If this matter comes up, there will be some very earnest if not heated discussions, since the question has been very much in the secular press lately.

TWIN BIRTHDAY DINNER

Mrs. Paul Ethridge, of Raleigh, and Mr. Bennie Barham, of Wake Forest, celebrated their twenty-fourth birthday Sunday, Nov. 8, at the home of Mrs. Ethridge, 713 Gaston Street, Raleigh, N. C. The mother of the twins, Mrs. S. T. Barham, helped her twins enjoy eating fried chicken, barbecue chicken, roast beef, sandwiches, pickles, cakes and pies. The table was beautifully decorated with a large birthday cake holding 24 candles presented by Mrs. Bennie Barham. As a gift to the twin husband and sister, all present reported a real good time.

Cole Damage Suit May Wait a Year

Unless there is a special term of civil court called for the trial of the Cole damage case, the folks who are excited about will have to calm a year, according to Clerk "Tracy" Royster, of Raleigh.

Mr. Royster says there are 400 or more civil cases on the local calendar and they will have to go off before the Cole case can come on. The fact that \$150,000 is at stake will not necessarily hurry the issue. Mr. Cole is not going to rush things and Mr. Ormond cannot.

It is not likely that special term will be called. Governor McLean hurried the criminal case and had a judge working on it within 45 days. That issue was settled with a judgment of not guilty. But the finding of the Union jury turns out not to have been very generally popular.

A wait of one year will take a world of popular interest away. It should work to the advantage of Mr. Cole who got off lightly at the other hearing and then ran into a very savage public sentiment.

The defendant is said to be in Arkansas, but his friends do not believe the recurring rumor that he is going to move away from Rockingham.

Different Kind Red Cross Membership

The following statement was issued by Mrs. W. K. Phillips, Chairman of the Red Cross membership campaign which opens here Armistice Day Nov. 11th, explaining the different kinds of membership and the disposition that is made of the money.

"There are four types of memberships," she stated, "involving \$25 \$10, \$5, and \$1 membership fees. From each membership only fifty cents goes to National Headquarters of the Red Cross to carry on its national and international work. The rest of the money remains in the treasury of the local Chapter to finance the work in the community. Therefore, from a \$25-membership \$24.50 is spent locally, while fifty cents goes into the National Red Cross treasury. Similarly, with a \$1-membership, 50 cents goes to National Headquarters and fifty cents remains for our Chapter. The Red Cross holds no tag days. The Roll Call is its only means of support for either local activities or for the work of the National Organization. Since we do not now have an active Red Cross Chapter, our part of the proceeds from this year's Roll Call will be used under the direction of the Welfare Department of the Parent-Teachers Association.

The details of organization have been completed and all plans effected for a speedy solicitation of the entire community. Red Cross officials state that prospects are good for a record enrollment, and they confidently expect this year's membership to be a substantial increase over that of last year. A goal of fifty members has been set for one community this year. If everyone could know intimately the work that the Red Cross is carrying on, there would be no trouble in enrolling twice that number.

State May Lose Warehouse Loan

The State of North Carolina stands to lose \$6,500 which was loaned from the Cotton Warehouse Fund by the State Treasurer B. R. Lacy to the Warren County Cotton Warehouse Company on account of the failure for nearly three years of the State Treasurer to renew a mortgage given as security.

Judge Garland E. Midyette has signed a temporary order restraining J. E. Banzett, trustee under a later deed of trust to the Bank of Norlina covering the same land, from selling the land at auction. The deed of trust was filed ahead of the mortgage.

The mortgage to the State was given on November 10, 1922 but was not recorded until October 17, 1925. The deed of trust given in March 1925, as security for a loan of \$7,500 was recorded immediately. The State contends that the deed of trust was not a valid lien on the property.

Judge Midyette cited the defendants in the case, the Warren County Cotton Warehouse Company, J. G. Ellis and R. T. Watson, receivers for the Bank of Norlina and J. E. Banzett, trustee to appear before him in Louisburg and show cause why the order should not be made permanent.

The affidavit in the suit was signed by W. F. Moody, deputy State treasurer. A bond of \$250 was given by Treasurer Lacy, Commissioner of Agriculture Graham and George Ross, chief of the division of markets.

The suit was brought by Attorney General Dennis G. Brummitt.

Will Issue Bonds In Sum of \$100,000

The paving plans for Smithfield upon which the City Fathers have been working during the past few months begin to take more definite shape, and the prospect now is that work will begin in early spring. The finance committee composed of Mr. R. P. Holding, and J. D. Underwood, recommended to the town board at its regular session Tuesday night, the issuing of a \$100,000 worth of bonds to take care of the paving program. Their recommendation was approved. The bonds will be serial bonds, and will be retired with funds collected from property owners along the streets to be paved together with one third put up by the town itself. Increased taxation for this purpose is not anticipated. Certainly this year nor next year will extra taxation be necessary, and it is thought the fund will have augmented by that time sufficiently to take care of the interest and retirement.

A number of our citizens are interested in seeing the paving get under way, and will be gratified to learn that details of the undertaking will probably be settled within the next thirty days and the bonds advertised for sale.—Smithfield Herald.

TEMPORARY RECEIVER

Judge Garland Midyette Tuesday continued the temporary receivership of H. H. Harris and L. L. Whitaker, Franklin county farmers, until the Louisburg term of Superior Court, in order to give time for an accounting for the sale of twenty-seven bales of cotton and for debts due on farming operations. Ben T. Holden, E. P. Malone and S. A. Newell, of Louisburg, were in Raleigh in connection with the settlement of the matter. P. S. Allen is the temporary receiver.

THE RECORD WILL AWARD \$2,000.00 IN PRIZES AND CASH

1926 CHRYSLER TOURING CAR, VALUE \$1,120
CAMPAIGN STARTS TO PUT HOME PAPER IN HOMES
1926 CHRYSLER TOURING CAR AND CASH PRIZES TO BE OFFERED

Greatest Subscription Getting Campaign Ever Conducted in Wake County Is inaugurated; Campaign to be Conducted on Straight-Forward Business Lines.

GET IN AT THE START AND STAY TO THE END

This is to be a memorable event. It is to be a Friend-Making Campaign.

In addition to the big automobile and the purses, the Zebulon Record is making it possible for every man, woman, boy and girl who takes part in this distribution to be a prize winner. "Everybody Wins" is the slogan. And everybody does win.

That everyone participating in this election may know in advance that "Everybody Wins" The Zebulon Record has set aside a sum of money to be paid in commissions. This is over and above the capital prizes.

SOMETHING DIFFERENT

To every reader who participates and who does not win the big automobile or one of the big prizes, The Zebulon Record will pay a cash commission of twenty per cent on all subscriptions turned in during the event. That means The Zebulon Record readers who actively participate are guaranteed at the very least a dollar of very five dollars received for subscriptions during the election.

Did you ever hear of anything more fair? No, and no one else ever did.

Today the Zebulon Record inaugurates the most stupendous "Everybody Wins Something" one automobile-and-gold gift distribution.

Gifts totalling over \$2,000.00 including one big, handsome, speedy automobile, Chrysler Touring Car, value \$1,120.20 and three great bags of gold and silver (containing as high as \$200) are to be distributed among the men and women jobs and girls of Zebulon and surrounding territory.

Now, why does The Zebulon Record put up \$2,000 in gifts? Why does The Record guarantee every reader who is active in this election valuable prizes for his or her efforts? There are two reasons:

First, this is a friend-making election. Second, only by conducting a fair and liberal election with gifts of value to everyone who participates, will it be possible for the Record to accomplish its aim.

And what is The Zebulon Record's aim? How can the Zebulon Record afford to give away absolutely free, without one cent of expense to the contestants, \$2,000?

In the election The Zebulon Record hopes to secure more subscriptions—to enlarge an already large list. To secure renewals. To make a good paper we naturally need circulation. In this election The Record hopes to add to its great family of friends. This will be accomplished not only by the addition of new subscribers, but by the renewal of subscriptions, and by the manner in which this election is conducted. Every reader who takes part in this election will, when it is over, be a living advertisement for The Zebulon Record. That is the aim.

Of course this election will not pay the Record immediately in dollars and cents. It would be unreasonable to expect that. Then why, you may ask, do you put up so much money when you know in advance that you can not get it back from the subscriptions received? And the answer:

There are things more valuable to Get More Than Money—a newspaper than money. Subscriptions are more valuable. Subscriptions give a newspaper prestige, power, and enhance the value of its advertising columns.

The Zebulon Record is taking its own medicine. It is advertising. It is spending money to create subscriptions—spending money to add to its advertising patronage and to create a greater good will. It will not pay The Record in dollars today. But the effects of this election, the subscribers who will be gained, the friends and inestimable benefit. The Record is simply investing in its future, in its glory. Frankly, in the end, it will profit The Record.

Circulation Necessary
Circulation is absolutely necessary to a newspaper. But it is always an expense. No newspaper ever made money on its subscription list. Your Record costs the publisher more each year to produce and deliver to you than you pay.

However, if by the spending of \$2,000 will increase its subscriptions list to the point where more advertisers will use its columns at a higher rate, to reach a greater number of people than, in the years to come, this \$2,000 will be returned time and again to The Record.

A Business Proposition
It is simply a business proposition. No one loses, not even The Record. This paper will not realize the benefits and cash in on them as soon as do our readers who carry on with us in this great gift distribution.

The equipment of The Record is so complete that it can care for 3,000 readers each issue just as easily as it can care for half that number. And that is the goal—3,000 subscribers—that it hopes to reach as a result of this great gift distribution.

The Gift List
And the gifts? Just what are

they? One 1926 Chrysler Touring Car, value, \$1,120; three bags of gold containing as high as \$200.00 in that most desirable precious metal; and hundreds of dollars in cash—a veritable shower of silver—to be distributed in the form of a twenty per cent commission to every non-gift winning participant. All this goes to make up the gigantic gift list to be presented to friends and readers in just a few weeks.

Then too, in order to insure an equitable distribution, two districts have been made, with special gifts set aside for each district.

Two Districts

District No. 1 is all of that territory inside the city limits of Zebulon. District No. 2 is all of that territory lying outside of the city limits of Zebulon. Then the next highest candidate will be awarded a \$200 prize. Then to be more liberal and to insure equitable distribution of two purses—of \$75—are set aside to be awarded in the two districts. This will be a purse of \$75 for each district. This assures that participants living farthest from the Record office will receive gifts of automobile and gold and silver as large as those living in Zebulon. It puts all irrespective of place or residence on even terms.

It's Fair and Square

The Zebulon Record's plan for this great gift distribution is absolutely fair and square. Friends and readers of this paper are to determine to whom the gifts are to go. Free votes are the deciding factors.

All over the territory, in Zebulon and outside, The Record has hundreds of friends—real friends, who stand ready to help. Every reader who would share in this great gift giving will find the ground well broken for him or her. The way is made easy. You will readily understand the whole plan once you read the Record. "Everybody Wins Something" automobile and other gift distribution announcement elsewhere in this issue.

Costs You Nothing

The Zebulon Record bears the expense. There is not one cent for you to spend. Your time is your own. You can win by simply devoting a part of your spare time. It will be easy, you will find, to be the recipient of a Record gift.

Everybody Wins Something
In The Zebulon Record's gift distribution "Everybody Wins Something." You win either the automobile or a purse of \$200 in gold, one of the purses of \$75 or win the cash commissions. Everybody wins either car or cash.

In this election you can in your spare time earn more in the next few weeks than the average family man earns in a whole year. You can earn more than the average man saves in many years. You absolutely increase your earning power—and you do it in your spare time.

Cash Your Prizes

Perhaps you already have a car—in your case you may cash your prize and expend the money in travel or a nucleus for an education, or for a home of your own. Everybody has use for cash. And that is not to be passed up lightly.

Now that is pretty good money to add to your present income for your spare moments during the next few weeks—moments that otherwise may be lost.

How long would it take you to (Look on page five)
