

## WOMAN'S CLUB MET WITH MRS. C. V. WHITLEY LAST THURSDAY

### Mrs. T. W. Bickett Welfare Officer Present

### Interesting Program Rendered By Those Attending

The Business and Civics Departments of the Woman's Club held their last meeting of the spring at the home of Mrs. C. V. Whitley on Thursday afternoon, May 13. After reports from the various committees were heard, a committee was appointed to secure a Traveling Library for use during the summer months. The club decided to present the play, "Rose Time" on May 28, under the able leadership of Mrs. A. A. Pippin, the following program on "citizenship" was given: Talk on county government, Mrs. F. E. Bunn; paper, "State Legislature," Mrs. John Kemp. Mesdames E. M. Hall and J. F. Coltrane accompanied by Mrs. John D. Horton, rendered a vocal duet, "A-Maying." This was followed by a most helpful and inspiring talk on "citizenship" by Mrs. T. W. Bickett, Wake County Welfare Officer. She especially stressed the fact that the ballot for women is a great responsibility and that the character of our future citizens depends almost entirely on the home training of the children of today. She also urged the members to vote for men of strong personal character.

At the close of the meeting black cream and wafers were served by the hostess.

### PAVING ABOUT FINISHED

(By G. H. Wright, Jr.)  
Wendell, May 18.—Wendell streets have been torn up for a long time but they are now about ready for traffic again. The two principal streets are covered with "that great white ribbon" that so becomes North Carolina and its principal highways and city streets. The paving job in Wendell is almost complete, that is, for this letting.

Main street was opened up for the first time late Saturday afternoon and the number of cars that traversed it on Sunday goes well into four figures. A large number of cars bearing the tags of other towns were seen on the streets that day showing that they appreciate what Wendell has done toward providing a good place to drive. As to Raleigh visitors, they found the Pool road in excellent shape for "airing out" and soon found themselves confronted with the beautiful white streets of this little city.

On the south end of Main street, and the west end of Third street an opening of about twelve feet was left in the center of the street that will soon be planted in grasses and shrubbery that will not be hard to gaze upon.

Visitors will always find a welcome in Wendell and the town is ready to put forth the assertion that once you see Wendell you will love it. As C. R. Boone used to say: "Come and see is all we ask."

### ST. JOHN'S DAY

It is rather early to talk about St John's Day, which will be celebrated at the Oxford Orphanage on Thursday, June 24, but the fine purebred pigs that will be just the right size for the occasion is an indication that there will be plenty of barbecue for the multitude.

The Orphanage grounds become more beautiful as the years come and go, and those who have not visited the institution during the past two or three years will see improvements on every hand. The bright faces of the children, too, show that unusual care and attention has been bestowed on them.

Mr. R. L. Brown, the very able and greatly beloved manager, has not as yet announced the program for St. John's Day, but it is going to be a great occasion, and Mr. Brown says that he hopes everybody will come and enjoy themselves.—Oxford Ledger.

## WOODMEN HAVE BIG DAY IN WENDELL

### State And National Deputies Are Present

(By G. H. Wright, Jr.)  
Wendell, May 18.—Monday was a big day in Wendell for Modern Woodmen. For many weeks the officers and other active members of the local camp have been exceedingly busy making preparations for the biggest event that has ever happened within the circles of Woodcraft in Wendell. This camp has the distinction of having the largest membership of any town in North Carolina according to its population and according to the address of welcome by Mayor of the town, W. A. Brame, Wendell is the largest town in the world according to its population.

This big event marked the first visit of the State Deputy M. L. Tremain, of Winston-Salem and of the National Deputy, H. V. Reels, of Oakland, California. These two distinguished visitors paid tribute to the excellent work that is being carried on by the local camp of woodmen.

The program began shortly after six-thirty in the afternoon with a concert by the Wendell Woodmen Band. After a short half-hour of fine entertainment of this description, the Woodmen, more than 125 strong, filed into the banquet hall to enjoy one of the biggest eats they had ever seen. Pig barbecue and Brunswick stew was served with all its accessories. There was plenty. No man left the hall with a hungry stomach if these in charge knew it.

After supper and after a few minutes of settling the supper members and numbers of visiting neighbors assembled in the regular meeting hall to carry on the regular degree work of the camp and to hear some of the finest lectures on Woodcraft they had ever listened to. The two visiting celebrities and several members of other camps talked to the neighbors and this mingled with the degree work served to make a very interesting program that lasted way into the night without boring the listeners.

### NOTICE!

Automobile number plates for the Town of Zebulon are now on hand and in the office of Water Superintendent. By order of the Board of Commissioners each car and truck owner is required by law to purchase and keep on his car or truck his number during the automobile year.  
E. C. DANIEL, Mayor.

### JUNE REAL TEST OF STATE BUDGET

Although the Governor has not yet issued the joint financial statement of the Treasurer and the auditor for the period ending April 30, it was learned from unofficial sources Thursday that the surplus as on that date is regarded as assuring a surplus for the fiscal year ending June 30.

However, June is regarded as the real test month for the State's budget system, as all bills for any reason held back during the year are to be paid then, and all institutions will be anxious to prevent any lapsing of appropriations due them.

Unusual expenses for the quarter, most of which will be paid in June, include a \$500,000 payment to the Confederate pension fund of \$1,000,000 annually, a payment of \$350,000 on the annual \$150,000 school equalization fund, a payment of \$400,000 on the \$9,000,000 amortization of the State debt; sinking fund payments of \$214,000 and interest requirements of \$357,000.

"A home is never too humble for the spirit of Christ to be found there. In some of the humblest homes I have felt the spirit of Christ in the atmosphere, and in other homes furnished in beauty and elegance I have not found it," said Rev. M. A. Barber in his sermon at Christ Church at Raleigh, Sunday, in speaking of the Master's choice of the beloved home at Bethany for His Ascension instead of the scenes of His triumphs.

## SUNDAY TO BE BAPTIST HOME- COMING DAY

### Many Additions To Church During Past 2 Years

In the two and a half years since the return of Pastor Davis to the Baptist church, there have been more than one hundred additions to the membership by baptism, besides these probably half as many have been received by letter. He desires to have just as many of these as possible at the service next Sunday morning and of course, all those who were members before are expected to come.

Mr. Davis will preach a special sermon to church members on "The Church and the World." He desires especially to have the young people present, since he wishes to speak of some things which relate to them and the church in a very vital way. It will in no wise be a sermon that criticizes, but one that will attempt sympathetically help every member of the church.

The hand of fellowship will be given to all members received within the last two years. And other Christians living here, who are members of Baptist church elsewhere, are very cordially invited to unite with the church Sunday. The Lord's Supper will be observed at the service.

On Sunday night, the pastor will speak on the subject "The Partiality of God." Is God partial and why, will be answered. This is a subject every one should be interested in and a large congregation is expected to be present to hear it. There will be special music at the services Sunday.

### ALL IS SET FOR ANNUAL

#### SALE OF LICENSE PLATES

Preparations for the sale of 1926-27 North Carolina automobile license plates have been practically completed by the Automobile License Bureau and on June 1 will begin the distribution of tags which will probably number some 450,000 before the year ends, according to information received from the Department of Revenue.

Motorists will be given 40 days in which to purchase their plates and after that time no excuses will be accepted, stated R. A. Doughton, commissioner of revenue. The new licenses are dated from June 30, 1926 to June 30, 1927 but a ten day grace will be allowed.

Differing from the system of the past, this year the plates will carry class letters as well as the figures. Licenses beginning with A will cost \$40; those with B \$30; with C \$20; and with E \$12.50. Plates carrying D will be for dealers and will cost \$25 for the license and \$1 for each additional plate.

Several hundred thousand of the black and gray plates have been already shipped and many of them are already in the hands of the branch offices, in charge of the Carolina Motor Club, ready for the June 1 rush.

### MANY HOGS SIGNED UP FOR DEMONSTRATION FEEDING

Oxford, May 16.—As a result of the hog-feeding demonstration put on by County Agent J. H. Blackwell, on the farm of W. J. Brummitt, in Granville county, more than 150 head of swine have now been signed up for demonstration feeding, the agent reports.

C. F. Daniels, chairman of the board of county commissioners, will feed 40 pigs, and C. H. Chatham, of the county board of education, will feed the same number. Feeding schedules and mixtures, as recommended by the swine extension specialists at State College, will be used on these demonstrations, says Mr. Blackwell.

New York, May 16.—Albert W. Gilchrist, former governor of Florida, died at the Hospital for Ruptured and Crippled here today. He had been a patient in that institution since November. Mr. Gilchrist had undergone severe operations for an affection of the thigh. He was 68 years old. Robert W. Gibbs, a half brother, was with him.

## KIWANIS BANQUET AT THE CENTER BRICK WAREHOUSE

### AWARD BIDS TO ERECT SCHOOLS

Contracts for the construction of the new Garner and Knightdale schools were let Thursday by the Wake County Board of Education. The contracts totaled \$102,676. Joe W. Stout & Co., of Sanford, was the successful bidder for the general construction work of the two structures. Their bid was \$88,000.

The heating contract for Knightdale school was awarded to the Dermott Heating Co., of Durham. The bid was \$4,926. The same company was awarded the heating contract at the Garner school for \$5,450.

Biemann & Rowell, Raleigh plumbers, were awarded the two plumbing contracts. The bid on the Knightdale school was \$2,600, and the bid on the Garner school contract was \$1,700.

The contract at Garner calls for a substantial addition to the school there. Pupils from the Cade Springs, J. Y. Joyner, and high school students from the Mt. Auburn districts will attend the Garner school. The additions, according to Superintendent John C. Lockhart, will make the Garner school a standard high and elementary institution.

Pupils living in the Shotwell and Bethlehem districts will attend the Knightdale school. Standard elementary high school work as far as number of pupils will make possible for work to be standard will be given at Knightdale, said Mr. Lockhart.

School bond elections were recently held in these two districts. The patrons of the schools voted a special tax upon themselves for the maintenance of the structures.

### "ROSE TIME"

The Woman's Club will present the play "Rose Time" Friday, May 28, at Wakelon high school. Everyone that is interested in getting a community club building for Zebulon is urged to attend and bring some other.

"Rose Time" will be presented at the Wakelon high school Friday night May 28, sponsored by the Woman's Club, of Zebulon. The proceeds are to be added to the fund's we have already on hand for the purpose of building a community club house. The play is a clean, delightful entertainment. Everybody invited to come and bring some one with you. Let's enjoy the play and build a community club house.

### GETTING SIGHT BACK. CREDITS IT TO PRAYER

Durham, May 16.—"Prayer has done it all," declares Miss Hawkins Gilbert, aged inmate of the Durham county home, whose sight is being restored to her after blindness for a number of years. The restoration is not complete, but she is now able to see with an increasing degree of vision, expressing the hope that her sight will be fully restored in due time.

Miss Gilbert attributes her returning sight to the prayers of a small group of men composing the Durham Christian Men's Federation, who have been remembering her for some months in their daily devotions. She gave expression to her feelings at a meeting of the group which conducted services at the home Sunday afternoon at 3 o'clock. There has been no treatment, and no operation. Her health is good, her blindness having been her only handicap.

### Y. W. FINISHES ELECTIONS

Greensboro, May 18.—The Y. W. C. A. of North Carolina college, this city, recently completed the election of officers in that organization for the coming scholastic year.

The new vice-president of the association is Miss Eleanor Hatcher, of Dunn. Miss Martha Hall, of Asheville, is the newly chosen secretary. The names of the other officers recently elected follow: Treasurer, Miss Ruth Cinar, of High Point; undergraduate representative, Miss Mary Lou Fuller, of Kittrell.

A railway is being built in French Equatorial Africa.

## Raleigh Kiwanis Club To Be Here

### Big Time Expected By Everyone Tonight

The meeting and banquet to be held today (Friday), is being fostered by the Woman's Club of Zebulon and the proceeds will be used to help build a Community House, and every one should be willing to be present and lend a hand to this worthy cause.

It is hoped this meeting will be the largest meeting of the year staged in Zebulon.

The Raleigh Kiwanis Club will come to Zebulon, and will be banqueted at the Center Brick warehouse.

This meeting is to get together all the business men in this community, including farmers, merchants and professional men.

Every farmer and business man who will be interested in holding a booster banquet of this kind are requested to see Prof. P. H. Massey today.

The Raleigh Kiwanis Club will come here about 100 strong, and it is expected that many notable speakers will be present and give some timely talks on the progress of our county, as well as the towns in this section and also other towns in the State.

The 100 Kiwanis Club members from Raleigh have already made reservation, and will be present.

It is desired that every business man in this community—including the farmers, as well as the townspeople, be present.

Tickets are on sale, which entitles the holder to a seat at the banquet table.

Zebulon and community will have an opportunity to show the Raleigh visitors what our people can do on such occasions.

Every booster and progressive citizen is expected to be present.

Let us lay aside all our work and give half-holiday on Friday, May 21st, and let us all meet together and learn something that will be of interest to every individual in this section.

This meeting is not held for the people of Zebulon alone—it is a "community get-together meeting."

Don't forget to notify Prof. P. H. Massey and Dr. E. C. Daniel, of Zebulon, N. C., and have your seat reserved.

We all love our community and we should be willing to sacrifice something for the advancement of our home section.

Remember, that no one can have a place at the table unless they notify Prof. P. H. Massey or Dr. Daniel, or purchase a ticket.

### MEETING OF W. M. S. OF THE BAPTIST CHURCH

The monthly meeting of the Woman's Missionary Society met Monday afternoon at the church. Mrs. J. B. Outlaw led the meeting. The subject considered was "Hospitals." Members of Mrs. Outlaw's Sunday school class gave a fine program. She served ice tea and wafers to those present before adjournment. Several matters of community interest and welfare were discussed and plans begun looking to more active service on the part of the membership.

This Society has a large number of good women deeply interested in the extension of the Kingdom of God, and is one of the most useful agencies for good in the community. If the men of the churches in our town could only be enlisted in the church's work as the women are, we are sure the many young men and older ones too, who now take no seeming interest whatever in church work, would realize its value as they do not now. Why not have a Men's Federation, a Layman's movement, or even a Men's Missionary Society? They are needed and certainly ought to be possible among so many men in the churches.

### WOMAN'S MISSIONARY SOCIETY MEETS

The Woman's Missionary Society of Wakefield Baptist church will meet with Mrs. C. S. Brantley, May 22, 1926, 3:30 p. m. Mrs. Brantley has invited the society to meet with her several times, with the hope of an interesting program. A large crowd are urged to attend this meeting.
