BARBECUE STAND ATLANTA MAN COMMITS SUICIDE

WILL HOLD ANNUAL MEET PRICE: One Year, \$1.50; Single Copies, 5c.

VOLUME 2, NUMBER 7

May Be Remodeleaywas 1 For The Police Department

Room and Also City Jail

The old barbecue stand, formerly known as Massey's restaurant, is old place, where it has stood for some pany. years and where hundreds, and perhaps thousands have been fed under its roof by the well-known barbecue man, Guy Massey.

Mr. Massey has moved to the main theroughfare of our town-Arendell Street, where he will still serve the public with his famous "cue."

of Police headquarters and city jail sentation to the grand jury Tuesday. affects North Carolina, namely, the Which causes one to feel that whooping cough. City Court-room, as well as the Chief

It was not learned at this time exupper story would be used as an auditorium—or city hall—and that the ground floor would be used as offices for the city's police department, and also in the rear would be the city

It was also stated that this building would be connected with the fire department headquarters, thus having all of the various city departments under one roof.

If carried out this idea is a good one, and will be a progressive move as well as a permanent one on the part of our town officials.

It is said that the site on which this proposed building is situated is owned by the town, and the move to place a permanent headquarters for To Whom it May Concern: the various departments of the town shows a progressive spirit.

The idea has been advanced and it Son of Man cometh." up a large building two stories high, the second story to be known as the second story to be known as the take you home, but when you go to seep and run in on the country standay conditions. To make up and get a friend to was followed by Dr. Jno. B. Wright, Patterson Hall.

Township had 13 births and one death. The windpipe and cutting the proposed to do in love letters refice and police department.

On the ground floor facing Horton street, and on each side of the main entrance to the upper story, have two WAKEFIELD-ZEBULON MISlarge store rooms. These store rooms could be rented at a price that would in a few years help to pay for the The Woman's Missionary Societies, building. In the rear of these stores of the Wakefield and Zebulon Baptist a deal of good. could be placed the city jail and the churches are to have a joint meeting fire department. This idea, as sug- at Wakefield church, July 24, 3:30 gested by a citizen, is not out of order p. m. At this meeting, Mrs. W. N. at all, and by having these store Jones, state president, will be the rooms, the extra tax for the erection speaker. of this building would not be large and the rents from the store rooms VAIN SEARCH MADE would help out considerable. As far as the Record knows the ideas advanced are not of a permanent one, but it is hoped that our city fathers search was made here today for Edna take under consideration the matter Faulkner, 17 year old girl of Lenoir ent, many coming from Franklin coun- lege greenhouses to show how to grade and use their best judgement for a county, N. C., missing frem home ty, the early home of Mr. Hagwood. and pack fruits and vegetables. The permanent as well as a substantial since last Friday night. building that will take care of the needs of the town for many years to Revival Closes come. A building like either one mentioned above will help to beautify our town in a permanent way.
