A large crowd attended B.Y.P.U. Sunday night. We feel proud to have so many visitors come and take part. The members were especially interested in the short talk given by Rev. Raleigh Shearson. Would be glad to have some other young man come and take a part with us who strives as hard as Mr. Shearson does to help our union.

Subject for Sunday night, March 6, will be a devotional meeting—Building True Character. Group II in charge, Miss Florence Williams leader.

What is character? How may we attain character?

These will be discussed Sunday night at 7:30. Be O. T.!

There is something finer than to do right against inclination and that is to have an inclination to do right. There is something nobler than reluctant obedience, and that is joyful obedience. Our rank of virtue is not measured by its disagreeableness but by its sweetness to the heart that loves it. The real test of character is joy for what we rejoice in we love and what we love we are like.

Mr. B. B. Brantley wishes to announce to all little boys and girls of the Junior B.Y.P.U. that he will revive that splendid organization like we had last summer, and he wishes them to meet him at the church each Sunday morning, beginning at 10 o'clock. Those little folks gave programs really worth while and they were much enjoyed by all who attended. After the program a short talk will be given for practicing singing.

Finch's Chats

Vol. I March 4, 1927 No. 1

Published in the interest of the people of Zebulon and vicinity by N. B. FINCH & CO. F. D. Finch, Editor.

ANNOUNCEMENT

We suppose everybody sometime has wanted to run a newspaper of their own.

We plead guilty, not only on that score, but also to wanting to be an editor.

M. F. Grote, of The Zebulon Record, says running a newspaper is full of grief, but if we insist, he will rent us this little corner each week, and it'll be up to us to make good.

So we'll be here every Friday with

Finch's Chats, in which we will talk about:

You People, Our Community, Its Improvements

and maybe a little bit about the General Merchandise business.

We'll promise to be interesting all the time.

But we'll need your HELP with criticism, comments and contributions.

G. W. Duke bought a half barrel of flour some time ago and after a short time came in and paid for another barrel and asked us to hold it for him. He said it was so good he was afraid we would sell it all and his wife wanted some more of the same kind.

There was so much static in the air Friday night, Feb. 18, that it was almost impossible to get the returns of the Delaney and Maloney fight, however, R. E. Brantley cut off the aerial on his Atwater Kent set and we heard the whole fight without any trouble. No use talking, those Atwater Kent sets sure do show results.

Listen folks, we don't claim to be the best firm in this section, nor do we claim to have the best merchandise that can be found, but we do fully guarantee everything we sell and you will always find it just as represented.
