WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL
And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.
For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.
If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes, your head aches and you feel down and out. Your whole system is poisoned.
It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.
But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Request a substitute, 25c at all stores. © 1931 C. M. Co.

A new feeling for men past fifty

If you've let yourself grow systematically old, here is a way to stimulate yourself without the slightest harm, and, in fact, with effects beneficial to the entire body.
This method of stimulating a sluggish system to new life is a doctor's discovery, so no one need hesitate to try it or believe in it. It is a sane, sensible way to keep keenly alive.
The only medicine you take is a most likeable and remarkable syrup made with fresh herbs, active senna, and pure pepsin. The benefits are many, and far-reaching. Its immediate effect on the lower bowel gets rid of lingering poisons better than a powerful laxative. In fact, you will need no other laxative if you take an occasional spoonful of Dr. Caldwell's Syrup Pepsin.
If you regard yourself in fairly good health now, you might still find after a week or two of this gentle stimulation that you were only in a state of half-health before. It makes an amazing difference in the way one feels, especially at an age when one inclines toward auto-intoxication. (Daily headaches, failing appetite and tiring too easily are apt to be symptoms of a toxic condition.)
Women, too, get decided benefit from a few weeks' regulation with Dr. Caldwell's Syrup Pepsin.
