Entertain Senior Class At Lake Myra

On Monday afternoon the senior class mascot, Little Miss Jeannette Horton and her parents, Mr. and Mrs. Oris Horton, very delightfully entertained the senior class and members of the faculty of Wakelon high school with a barbecue at Lake Myra.

Before going to the Lake Mrs. Horton and the class spent about an hour viewing "The Rocks", located near her home.

At the lake the class wandered around for some time before eating. Several of the girls and boys enjoyed boat-riding, which gave them a full view of the lake from every angle.

The supper was served in the habitual style, being carried out with Easter decorations. The menu consisted of barbecue, slaw, bread, ice cream, cake and tea or coffee.

Supper being over, the class yelled for "Jean" and Mr. and Mrs. Horton. A few games were played after which the crowd departed for their respective homes, everyone declaring that they had enjoyed to the greatest extent the hospitality of this family.

Class Pres. Betty Hales.

Gilmer Parrish Entertains Guests

On Saturday afternoon, April 15 Master Gilmer Parrish, Zebulon, R 2 entertained a number of party guests on his eighth birthday. The guests arrived at 2:30 o'clock and departed at 5:30.

They played a number of games consisting of hide and seek, fox in the war, I. yes and no, paper race, laughing contest, eleven up, big guinea, little guinea, all squat, follow the leader and William Tremble Toe.

After the games, an Easter egg hunt was enjoyed by all. The fun of it was that something was written on each egg and the finder had to do what it said. All during the while there was a roar of laughter among the children.

When this was over the guests were ushered into the dining room by Gilmer and a delicious course of eggs, rolls, cakes, pickle and candy was served.

In a short while the children expressed their appreciation of being honored guests and left for home.

Master Gilmer received a goodly number of gifts. He also won the prize in finding the most eggs. He found seven.

VALUE OF DOGWOOD TIMBER

Wherever cotton, silk, or wool is manufactured, timber from dogwood trees is used for shuttles. This timber has the combined properties of toughness, hardness, fineness of texture and smoothness, so necessary in the production of shuttles, to a higher degree than any other wood. Dogwood is also being largely used in the manufacture of bobbins, spool heads, small handles, brush backs, turpins, mallets, and wood pulleys.
