## The Christmas Season

Is here again — and our thanks go out to all friends and customers. We have welcomed the opportunity to be of service — and we hope to go on trying as hard as possible, doing the best we can to make the C. H. Stephenson Music Co. a pleasant and profitable place to do your shopping.

May Christmas 1933 be good to you: May it bring you a full share of happiness: May it reassure you that 1934 will bring better times for all.

GIVE SOMETHING USEFUL.

Theodore Roosevelt: Let the love of literature, scripture and above all MUSIC, enter into our lives — Woodrow Wilson: The man who disparages MUSIC as a luxury and non-essential is doing the nation an injustice. — Calvin Coolidge: MUSIC is the art directly representative of democracy.
