GOD'S WORLD

O world I cannot hold thee close enough!
 Thy winds, thy wide grey skies!
 Thy mists that roll and rise!
 Thy woods this autumn day, that ache and sigh
 And all but cry with color! That gaunt crag
 To crush! To lift the lean of that black bluff!
 World, World, I cannot get thee close enough!
 Long have I known a glory in it all,
 But never knew I this;
 Here such a passion is
 As stretched me apart, Lord, I do fear
 Thou'st made the world too beautiful this year;
 My soul is all but out of me. Let

fall
 No burning leaf; prithee, let no bird call.
