CHAMBLEE-EBERHART

The marriage of Miss Coressa Eberhart to Wallace Chamblee in Milledgeville, Ga., on last Thursday was of much interest in this section where both have many friends. The bride was for several years a member of the faculty at Wakelon. The ceremony was performed by Rev. A. G. Harris of Macon in the Presbyterian Church and was followed by a reception in the home of the bride's parents. Miss Willetta Eberhart sister of the bride was maid of honor at the wedding and M. B. Chamblee, father of the bridegroom, was best man. Little Joanne Grote, of Cos Cob, Conn., formerly of Zebulon, and niece of the bride, was flower girl.

At the reception guests were greeted by Mrs. Fred Josey, formerly Miss Mary Eberhart sister of the bride, and were shown through the gift room into the diningroom by another sister, Mrs. Myron F. Grote, formerly of Zebulon, now of Cos Cob, Conn. In the receiving line with the bridal party and the parents of Mr. and Mrs. Chamblee were the following members of the bridegroom's immediate family connection: Mr. and Mrs. John Liles of Sanford; Mr. and Mrs. Burke McConnell of Burlington; Miss Melba Chamblee, Mr. Frederick Chamblee, Dr. Edward Herring.

Mr. and Mrs. Chamblee are now on a trip through western North Carolina after which they will be at home in Zebulon.

Just a few lines about the hottest days. When I was a child it seemed the hottest days were when we went to church on a shop made buggy with no top, a rather long body with a little extra seat for us children when we would come home about 12:30. My father never missed a Sunday from Sunday School or church service then and we walked every Sunday except church days when grandma would go.

And last week I think we had some old time hot days when we couldn't find a cool part of the day to go to the garden for vegetables. Some say it was the hottest weather they ever saw.

Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do Gas on Stomach, Headache, Sour Stomach, "That Tired Feeling," That "Morning After" Feeling, Neuralgia, Rheumatic, Sclatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work?

All these troubles are caused or made worse by too much acid in your body. To correct this condition take

ALKA-SELTZER

The New Pain Relieving, Alkalinizing, Effervescent Tablet.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer is pleasant to take, effective, non-laxative.

Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.
