

"Little Town, Big Business"

Your Opportunity to profit in every way will be found in Zebulon

Why Visit ZEBULON
Trade in ZEBULON
Do business in ZEBULON ?

Zebulon is your home-town. It is the center of the social and business life of the surrounding country communities.

The business men of Zebulon believe in the town and you. Your interests and theirs are mutual—Out-of-town concerns care only for your money and when they get it, it never comes back.

Your dollar spent in Zebulon remains to help the whole community.

Whatever you need or desire may be bought or secured through business concerns in Zebulon—Furniture, Dry Goods, Groceries, Farm Equipment Pressing, Barbering, Automobiles, Shop, Garage and Lumber Service, Fertilizers and Seeds.

Zebulon also affords a market for your cotton, corn, chickens and eggs, milk and butter, meat, wood, or any other surplus home or farm products you may have to market.

The local business man stands behind each sale or purchase. He guarantees it and makes good any dissatisfaction. When you buy in Zebulon you know what you get. Such service is superior to the city store or mail-order house in almost every respect.

Taxes for local government, funds for community need, money to expand and develop the town and country life, is provided largely by the business men of Zebulon through your help.

By trading in Zebulon you save both time and money. Doing business in a small town makes the overhead expenses lowest. The merchant can get quickly any article not in stock. By actual comparison it has been found that the average price charged locally for service or merchandise is less than that in the city or larger town.

It is the purpose of the following business men and concerns in Zebulon and of the Zebulon Record to do all possible to make 1936 the best year in every way for all the people who visit or trade in Zebulon. To this end we offer our personal help and public service to you, our friends and neighbors.
