

Mrs Jim Upchurch

Mrs. Jim Upchurch was born on June 14, 1865, and died Sept. 2, 1936. When she was eleven years old she joined the Poplar Springs church and was a faithful member of that church until the organization of the Pearce's church when she moved her membership there.

On April 12, 1883, Miss Bettie Medlin, who she was at that time, became the bride of James Upchurch. To this union were born 8 children, two boys and six girls: Mrs. Edgar Johnson, of Zebulon, Mrs. Claude Denton of Durham, Wilford, Richard, Otha and Laddie Upchurch of the Pearce Community. All these except two with the husband survive, with 31 grandchildren and one great grandchild. She also has four sisters and three brothers to grieve their loss.

She was buried in the cemetery at the Baptist church at Peaces. Rev. Theo. B. Davis of Zebulon, in the absence of her pastor, conducted the funeral service.

Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do Gas on Stomach, Head-ache, Sour Stomach, "That Tired Feeling," That "Morning After" Feeling, Neuralgic, Rheumatic, Sciatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work?

All these troubles are caused or made worse by too much acid in your body. To correct this condition take

ALKA-SELTZER

The New Pain Relieving, Alkalizing, Effervescent Tablet.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer is pleasant to take, effective, non-laxative.

Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.
