

# The Zebulon Record

THE FOUR COUNTY NEWSPAPER—WAKE, JOHNSTON, NASH AND FRANKLIN

VOLUME XIII

ZEBULON, NORTH CAROLINA, FRIDAY, FEBRUARY FIFTH, 1937.

NUMBER 31

## This, That And The Other.

The study class sponsored by the churches, clubs and P. -T. A. met on Tuesday afternoon with the Home Demonstration club at Wakefield as hostess organization in the clubhouse. The lesson was taught by Mrs. Raymond Pippin who discussed problems caused by fear, anger, jealousy and destructiveness of children. This was a continuation of the course in Everyday problems of the Everyday Child. Members of the hostess club served refreshments.

The March meeting will be held at Wakelon school, the P. -T. A. being the hostess group.

### GARDEN CLUB

The February meeting of the Garden Club will be held on Thursday of next week, Feb. 11, in the home of Mrs. C. G. Weathersby at three o'clock in the afternoon. Members will note the changed date from Tuesday, which was made advisable because of the speaker's inability to attend at the regular time of meeting. Mrs. Ben Lawrence of Raleigh, enthusiastic expert, will address the Garden Club Perennial Borders and will also conduct a round table for the solution of personal problems of the members.

## The Response To Call For Help

Mrs. Victoria Gill reported at the Baptist Church last Sunday that a most generous response had been given in this community to the call for help for the flood sufferers in Mid-west. Mrs. Gill has received many articles of good, warm clothing which she in turn delivered to the Red Cross workers in high to be forwarded with donations from other places. Cash contributions from Zebulon organizations and from individuals have proven the depth of sympathy for those more unfortunate. However, the need is still urgent as the flood takes its course south to the Gulf of Mexico. Louisiana is beginning the work of reconstruction and rebuilding, as are Tennati, Paducah and other cities but there is yet no way of knowing how much more of disaster and calamity may be in store for those living in the areas to be flooded by rising waters and foreclosure of homes. The need for relief is far from over and may well be begun.

At least, it is very well begun.

### World's Record Mass-Flight

Harbor, Hawaii—The arrival of twelve huge twin-motored hydroplanes from San Diego, edited the U. S. Navy with its record flight in mass formation.

The ships covered 2,533 miles in 22 hours, and the flight was characterized by naval officials as "outline" delivery of a new squadron to the Hawaiian base. With 200 patrol-boats on order, further squadrons will be delivered to other Pacific bases as rapidly as completed.

## Club Column

## Public Character

This week's sketch is of an adopted Tar Heel whose work has been in Zebulon since he left school. He is a graduate of Jones-Gupton School of Embalming, Nashville, Tenn. His parents live in Selma. He belongs to no organizations, his work and his home occupying full time and attention.

Name: Norman Meadors Screws.

Native of: Denmark, S. C. Came to North Carolina in 1921; to Zebulon in October, 1933.

Domestic Status: Married Mary Helen Monk of Goldsboro, March 4, 1934.

Church Affiliation: Baptist. Profession: Mortician with Zebulon Supply Company. Has been in this profession since graduation in 1933.

## Weather Prophet

The groundhog, favorite weather prophet with many, saw his shadow clearly in this section, if he ventured forth on Tuesday morning. Which may or may not precede six more weeks of rough weather.

At any rate, if the groundhog saw his shadow, we saw ours, too, which is something we have had few chances to do this year.

All told, the month of January had less than fifty hours of sunshine, breaking all records here for cloudiness and rain coupled with high temperature. Tuesday was much colder with some ice.

## U. D. C. Scholarship

Through the Educational Fund contributed by members of the United Daughters of the Confederacy two scholarships will be available for young women next year. In addition to these another, the Jeff Davis Prize Essay Scholarship, is open to any senior in high school whose essay is judged best. Applications for these scholarships must be sent to Mrs. J. D. Bivins, Albemarle, N. C., the blanks must be filled out and returned to Mrs. Bivins before May 1, together with extra references. Seniors in high school and others interested are urged to give attention to this announcement. For further details consult the leader in your local chapter of the U. D. C.

Mrs. J. B. Outlaw or Mrs. F. H. McGuire will give information to Wakelon seniors, if requested.

## PTA

Mrs. Victoria Gill, president of the Parent-Teacher Association, announces that Senator Clarence Beddingfield of Cary, will speak to the P. -T. A. in Wakelon auditorium on Tuesday night of next week. All members are urged to attend and others are invited.

A pastor is said to have announced that he would be pleased to hear of any sickness in the community.

## Church News

Next Sunday is the time for regular preaching services at the Baptist Church.

Pastor Carl Ousley will preach at Wakefield next Sunday morning on "The Church Faces the World." At night he will begin a series of sermons on "The Twelve Disciples".

Wakefield Baptist Church has contributed over \$100 in money and clothing to the Red Cross for flood relief.

Union Hope has contributed \$15.00 in money for flood relief.

### Methodist Church

Church school, 10:00 A. M., Dr. Coltrane, General Supt. Let's break the record in attendance.

First Quarterly Conference 1937 at Wendell, 7:30. Dr. J. H. Barnhardt, P. E., will preach and hold conference.

Hope all officials will attend from both churches and that we may have encouraging reports. Everybody invited.

J. W. Bradley

## Schools Closed

Both Wakelon and Zebulon-Wakefield school for Negroes were closed for Monday and Tuesday of this week to allow time for the school buses to be repaired and tested. The unusual condition of roads has helped make necessary this step, although Wakelon was probably in better shape to continue work than for some time. The increasing number of accidents to school buses has caused public attention to be focused upon this phase of the transportation problem. Supt. Lockhart was most likely right when he chose delay in preference to possible regret.

School work was resumed on Wednesday. Most of the teachers from out of town went to their homes for the vacation of four days including the weekend.

## Recorder's Court

(In this column we try to report what actually occurs in the Zebulon Recorder's Court in an interesting way to our readers. We try to do it in an impartial way. If there is any deviation from the facts it is unintentional and we shall be glad to correct any error and make due apologies for any injustice done to any one. The Editor.)

The State essayed to separate Genatis Spivey from his liberty or some of his good money, but failed to make its case. He was accused of making an assault on some one with a deadly weapon.

O. F. Ivey went where he had no right to go and laid hands on a female in a less affectionate way. He was caught and convicted. Verdict: Four months on the road to be suspended on the payment of costs and a fine of \$10.00. He must have been behaving himself in court for the judge also made his freedom conditional on his remaining in good behavior.
