

"SAFETY SABBATH" PROCLAIMED

"The appalling number of preventable accidents and deaths upon the highways of our community, State and Nation has become a menace of major concern to all the people. Our beautiful threads of travel, designed for pleasure and trade have been converted by the reckless driver and the careless, incompetent operator into lanes of horror. Daily the newspapers carry gory accounts of lost limbs and lives of maimed and injured bodies.

On Sunday, April 18th, the Carolina Motor Club is sponsoring a Carolina-wide observance of "Safety Sabbath". This date being selected upon the eve of Summer travel season in an effort to make the general public safety-conscious, so as to decrease, if not eliminate, the terrible road tragedies incident to the seasonal increase in the use of automobiles.

I, therefore, proclaim April 18th, Safety Sabbath in this community, and do hereby urge the leaders of religious and civic life to fittingly observe with well-planned programs this date, and by precept and example to foster the ideal of consideration for the rights of others, to the end that the irreducible minimum in accidents and death may be accomplished.

The Ministers, the Sunday School Superintendents and the laymen can, by a strong sermon, a prayer offered or a word spoken, join the program in encouraging a concentration of thought upon this problem.

Dated at Zebulon this 15th day of April, 1937.

Signed: R. H. Bridgers, Mayor.

No. Carolina Woodmen to Meet in Hendersonville April 25, 26 and 27

NATIONAL DIRECTORS TO ATTEND BIENNIAL STATE HEAD CAMP CONVENTION

Col. T. E. Patterson De E. Bradshaw Farrar Newberry William Ruess

The biennial Head Camp convention of the Woodmen of the World Life Insurance association in North Carolina will be held on April 25, 26 and 27 in Hendersonville, according to D. E. Henderson, of Charlotte, head consul for the jurisdiction.

At least six national directors, all of Omaha Nebr., will convene with the Sovereigns of North Carolina, he said, and there is a possibility that De Emmett Bradshaw, president, will also attend.

Officers and directors expected at Hendersonville include Col. T. E. Patterson, vice-president; Farrar Newberry, recently appointed secretary; Rainey T. Wells, general attorney; William Ruess, W. C. Braden and Dr. Herbert B. Kennedy.

Prominent Sovereigns of this jurisdiction who have indicated that they will attend include T. E. Newton, of Kinston, state manager; Judge Barrington T. Hill, of Wadesboro, member of the Committee on Legislation of the 1935 Sovereign Camp; and the following Head Camp officers: V. L. Hunt, of High Point; J. Love Davis, Wilmington; W. L. Ross, Salisbury; R. C. Litaizer, Concord; P. A. Stanley, Nakina; and L. L. Odom, Wadesboro.

Elect Sovereign Camp Delegates

At this meeting, delegates will be elected to represent the jurisdiction at the Sovereign Camp convention, the supreme representative legislative body of the Woodmen of the World, which meets later in the year.

A feature of the convention will be the initiation of a large class

of members from all sections of the jurisdiction.

Large Local Investments

Woodmen activities in this state are always noted with interest by national headquarters, it is said, as the association has large investments in municipal, county and state securities in this area.

The Woodmen of the World is today the strongest fraternal life insurance association in the world, with assets of \$124,493,972, as of January 1, 1937.

During 1936 alone, the Woodmen of the World enrolled more than 90,000 new members, with insurance protection totaling in excess of \$108,000,000.

Woodmen membership now totals nearly 400,000 men, organized in about 8,000 local camps, in 44 states.

Two \$1,500,000 Refunds

In the spring of 1936, and again in February, 1937, the association returned about \$1,500,000 of assessments to its members. These were the largest single refunds ever made by a fraternal society, and affected nearly 300,000 members each year. Eligible for refunds were all members who had held a beneficiary certificate (in good standing at the end of 1936) for two years or more.

President Bradshaw, who is honored and respected in every state in which the association operates, is particularly interested in improving and enlarging the services of the Woodmen of the World Memorial hospital at San Antonio, Tex. Here, members afflicted with tuberculosis are treated without cost.
