JOHN PARK FOR DISTRICT GOV.

The Zebulon Rotary club has endorsed newspaper publisher, John A. Park as active candidate of the Raleigh Rotary club for District Governor during the coming year, the election to be at the Pinehurst District Conference on May 10.

Mr. Park has had a prominent part in Rotary affairs since the State's first club was founded at Raleigh in 1914, serving as president and in other capacities. Known as an able leader in civic, religious, musical and educational affairs, he is widely known outside the profession of journalism.

He has covered most of Europe and also the two American continents from Newfoundland to the Argentine Republic.

Mr. Park recently celebrated his silver anniversary as head of The Raleigh Times.

HAIL TUESDAY

On Tuesday afternoon a heavy rain with wind and hail flooded the smaller streams and damaged gardens in the Lees Chapel section.

Zebulon had only a shower at that time.

ACTORS WANTED

The Selznick Pictures Corporation will send a scout to Chapel Hill to seek talent for the movie production of "Gone With The Wind," which is to be filmed soon. Southern talent is desired, probably because of the accent, and the Playmakers at Chapel Hill have attracted much attention recently with their presentation of comedy and drama.

SENDS DATA ON SOCIAL PLAN

524,940 N. C. EMPLOYEES ISSUED SOCIAL SECURITY ACCOUNT NUMBERS

The number of North Carolina employees who had applied for Social Security account numbers as of April 17 was 524,940. The number of employers who had applied for identification numbers as of this same date in our State was 38,006, according to recent figures released by the Social Security Board in Washington. The records show that only 12 other states in the Union exceed North Carolina in the number of persons who have applied for account numbers. It is also interesting to note that over 14,000 applications for account numbers have thus far been received by the Raleigh Post Office; over 26,000 by the Durham Post Office; over 12,000 by the Burlington; and over 12,000 by the Wilmington. The records also show that Wilson has received around 8,000 applications, Henderson 5,500, Rocky Mt. 8,000, Fayetteville 5,500, Goldsboro 6,000 etc. Applications are continuing to be received at a rapid rate by these as well as other post offices throughout the State.
