

Personal

FOLLOW THE GLEAM

Not of the sunlight,
Not of the moonlight,
Not of the starlight!
O young Mariner,
Down to haven,
Call your companions,
Launch your vessel,
And crowd your canvas,
And, ere it vanishes
Over the margin,
After it, Follow it,
Follow the Gleam.

Alfred Tennyson

Willard Hicks is home on furlough from Fort Bragg where he is stationed as a member of the U. S. Army.

On the Record's list of new subscribers is Miss Meta Phillips, now in training at Rex Hospital. Miss Phillips was valedictorian of her class when she finished at Wake.

IMMENSE SPENDING FOR RELIEF

The United States as a whole spent our times as much for relief in 1936 as in 1933; but eight times as much was spent in North Carolina in 1936 as in 1933. This increase was due to WPA projects. Last year about one and one-fourth billion dollars went for relief, although it was claimed that the depression was over.

In Washington sentiment is said to be growing for drastic reductions in relief funds, some estimating that \$500,000,000 will be the amount cut off.

GOVERNOR TEACHES CLASS AT PRISON

Governor Clyde Hoey on last Sunday taught the Sunday School lesson to 650 prisoners in the state's central prison after having taught his regular class at Edenton Street Methodist church in the morning.

FOR SALE—House and Lot. Ideal location. Corner lot. \$550 cash or \$600 with terms. See D. D. Chamblee, Zebulon, N. C.

SEE THE Toughest Kitchen Test
A REFRIGERATOR EVER HAD!

SEE **Hell's Kitchen**

Sensational performance proved again in searing heat of tropical kitchen

● We couldn't take you to the tropics... so we've brought the tropics to you... in our showroom. In this spectacular "Hell's Kitchen" demonstration you can see what a regular 1937 Westinghouse Refrigerator does under the toughest kind of kitchen conditions... conditions even worse than those encountered in *Proving Kitchen No. 1*, located in Belem, Brazil, just a few miles from the equator. You'll want to see this test! See how Westinghouse Refrigerators do more things better, and at less cost... even in temperatures well above 100 degrees F.

LOW-COST OPERATION WINS U. S. PUBLIC WORKS ADMINISTRATION ORDER FOR 16,897 REFRIGERATORS

Competitive bids, based on unit price PLUS 10-year operating costs, proved Westinghouse lowest of all.
