THE CRICKET

And when the rain had gone away
And it was shining everywhere,
I ran out on the walk to play
And found a little bug was there.

And he was running just as fast
As any little bug could run,
Until he stopped for breath at last,
All bright and shiny in the sun.

And then he chirped a song to me
And gave his wings a little tug,
And THAT'S the way he showed
that he

Was very glad to be a bug!

—Marjorie Burrows.

The Texaco Service station operated for a number of years by Mr. Combs has been taken over by Willis Strickland. Willis says he is there to serve his friends and the public generally. He also states that he does not think a service station should be open during Sunday School and church hours on Sunday and that his place will be closed each Sunday morning from the time Sunday School begins till church is over. We are sure the church people of Zebulon especially appreciate this decision of Willis. And he will not lose by observing church hours.
