**ZEBULON DRUG CO. FIRST PRIZE**  
 I trade with the Zebulon Drug Company because the service is prompt and efficient; the line of goods is complete; the clerks are courteous and congenial; the druggists are capable and dependable; the owner and manager is reliable and beneficent. The entire concern radiates an atmosphere of congeniality which promotes the motto "Zebulon, the Friendly Town."  
 Yours for more firms like the Zebulon Drug Company.  
 (Miss) Jane Hoyle.

**PEOPLE'S BANK & TRUST CO. SECOND PRIZE**  
 Dealings with the Peoples Bank and Trust Company convince me of their complete banking service and the rare ability of executives in each department.  
 The name is significant, for here people carry accounts of one dollar to thousands. All are impressed with the cordial welcome, the scrupulous care exercised in handling "the other fellow's" money, superior legal advice when needed, the modern building and super-safety vaults.  
 More concrete recommendations are five thousands dollars insurance on each deposit and an adequate capital stock.  
 The People's past record of weathering depressions certainly begets confidence.  
 J. C. Matthews.

**BAER'S DEPARTMENT STORE THIRD PRIZE**  
 I wish to tell you why the people of this section like to trade at Baer's. They have a very large, attractive and newly purchased stock of goods. It is a new store and adds much to the town. Miss Baer is a most efficient and courteous manager. The building, itself, is very inviting.  
 Mrs. P. F. Massey.

**ZEBULON BEAUTY SHOP FOURTH PRIZE**  
 I like to visit Zebulon Beauty Shop because there is always a feeling of friendliness that does not seem to be merely professional.  
 There is not a shop anywhere that does work more economically or efficiently. The operators strive to serve the individual need of each customer. Equipment and materials of high quality are used.  
 There seems a spirit of absolute fairness. Appointments are served promptly. No over amount of attention is given any one person.  
 For these reasons I like to visit there and for these same causes so many others do also.  
 (Miss) Marguerite Harrington.

**NASH THEATRE FIFTH PRIZE**  
 The paramount purpose of a theatre visit is enjoyment. Many things contribute to that delightful state: seats that invite relaxation; comfortable temperatures the year 'round; interior arrangements and colors that lend a feeling of harmony and security; easy accessibility to the theatre; convenient parking spaces; genial and efficient management; first class pictures on time and well advertised in advance; beautiful presentation unmarred by strident sound, breaks or extraneous noises.

Hope has clearly considered these requirements (perhaps many more an outsider overlooks) and daily achieves for its patrons the maximum of picture pleasure at minimum expense.  
 (Miss) Constance Matthews.
