THE
SWASH-
BUCKLER

Last Sunday Nell Battle Lewis girded herself with her mightier than the sword and advanced on those foes who would dare suggest bringing back the whipping post to North Carolina.

I forget just the words Fourth Estateress Lewis used, but they didn't change my views in the least.

I don't think Mrs. Lewis realizes the large number of "niggers" and "po' white trash" on the roads that are there from laziness. Too lazy to earn an honest living, they steal and secure their bread in other devious ways. The whip would put more fear into them than a sentence from now to eternity.

I'm in favor of putting up whipping opst in all the county seats and on one or two days a month, whip those sentenced by the judges to the punishment. Instead of holding the thrashing in public places, throw up an enclosure and charge say, \$1.00 per spectator. Why I know plenty of people who would pay a dollar to see me flogged, and their good will is reciprocated.

Was out at a neat little lake constructed by damming up a stream that has a natural rock bottom. Granite Lake, it's called and along with swimming, there's a nice picnicking ground nearby.

It's located about five miles from Wendell on the Wake Forest road.

Read recently of a butcher in Berlin who was renowned for his choice round and veal steaks. People from all over the city came to Lieberwertz' shop to buy meat. His fame spread to other towns and the newspapers made note of the fact that Lieberwertz was making history and bringing fame to Belin as well as himself. Then one day the bubble burst.

A child playing the back of the butcher shop found a human hand and took it to the police. Further search revealed other members of human bodies. When confronted by the police and their evidence, Lieberwertz admitted that he had committed several murders and had sold some of the choicer bits of his victims' flesh at a tidy profit.

Quick Jason, bring the basin;
Never mind, bring the mop.

Had that happened today instead of years ago, Herr Hitler would have had Lieberwertz done away with because he had no "Aryan" blood.

Probably the most fun for any and everybody that will head this way this year will be the Donkey Baseball Games to be played here Friday and Saturday evenings at 8:00. The entire game is played by softball rules, except that when any running is to be done, it must be done by a jackass upon which sits the player.

Well, I got a date with another donkey, So, So-long,
The Swashbuckler.

Regardless of his personal opinion no driver is as good with drink of liquor in him as he is without it.

The Kentucky Derby has been run each year for sixty-three years at Churchill Downs. It is the most famous race in this country.

Church News

At the close of the service at the Baptist church on last Sunday morning Pastor Herring called attention to the fact that his resignation had been offered some months before to take effect at the close of this month.

With sincere appreciation of the faithful service of Mr. Herring, the church asked him to continue as supply until a pastor is secured.

On Sunday afternoon the baptistery of the Baptist church was used by Pastor Leslie Newman in baptising sixteen candidates into the fellowship of the Wendell church, and one into the fellowship of the Zebulon church.

As a result of a meeting held at Union Hope last week, in which Pastor Davis was aided by Rev. Leslie Newman, 52 were received for membership, by far the greater part coming for baptism. This ordinance will be administered on next Sunday morning at 9:30 after which a short service will be held in the church.

WAKEFIELD S. S. PICNIC

On last Wednesday the Wakefield Baptist Church Sunday School went to Pullen Park, Raleigh, on their annual picnic. They report a most enjoyable day in the improved swimming pool and on the merry-go-round. D. D. Chamblee says they had the best lemonade he ever drank, and the picnic from every consideration was the best the Sunday school ever had. D. D. ought to know. He goes to every one.

The Northside Circle will meet on Monday afternoon of next week with Mrs. Rigsby Massey, who has recovered from her recent illness.

PASTORS EXCHANGE PULPITS

An exchange of pastorates has been arranged among Methodist churches of this section on next Sunday in the interest of the present effort of Louisburg College to wipe out old debts which threaten the life of the institution. The local pastor, Rev. J. W. Bradley, will preach in the Bailey Methodist church and its pastor, Rev. W. G. Farrar, will fill the pulpit of the Zebulon Methodist church Sunday morning.

SOCIAL PLAIN REVIVAL

Commencing next Sunday afternoon at 3:00 o'clock the annual meeting will begin at Social Plain Baptist church. There will be services each day at 3:00 and 8:00 o'clock in the afternoon through the following Sunday. The pastor, Theo. B. Davis, will be assisted by Rev. W. H. Poole, pastor of Pine Ridge, Hephzibah and Clyde Chapel churches.

DISCOMFORT NOT DISTRESS

The intensely hot weather of last week brought extreme discomfort to some in this section. Nobody was really in distress because of the temperature as were those in many points north and west. Friday was the hottest day of the year with an official temperature of 100 and Saturday started out to match that record, or break it, but was modified by a shower in the afternoon. Sunday was no cool day, but Monday was much more endurable with a haze that shut off the sun during a good part of the afternoon. Tuesday was not warm enough to bother any one and another light shower fell in the afternoon. And Wednesday was the coolest day of the summer.

CLUB NOTES

DONATION DAY

The regular monthly meeting of the Home Demonstration Club will be held at Wakefield on next Wednesday afternoon. In addition to the program, Donation Day will be observed. Members and friends of the club are asked to bring or send any odd cups, plates, forks, spoons they may be willing to spare for use in the club kitchen. Through breakage and misplacing the dishes now on the shelves are not enough for serving a large number at once and this method of replenishing was decided on. Gifts will be appreciated.

ROAD NEARS COMPLETION

All the grading has been done on No. 95, the new highway from Zebulon to Rocky Mount. It will be completed within the next few weeks. 11.7 miles to Stanhope remains to have the bituminous treatment applied. Then through traffic will have two routes to Rocky Mount, one by Spring Hope and Nashville and the other by the new 95 which will be about six miles shorter.

FARMERS TAKE TRIP

A party of 50 or 60 farmers from Wake county made an inspection trip of farms through Southern and Western sections of the county on Tuesday. They traveled in a bus directed by County Agent Jno. Anderson.

At Fuquay Springs the community gave the party a banquet and New Hill a big melon cutting. Those in the party from Zebulon were S. Chamblee, J. M. Whitley, P. Curtis and Prof. Senter.

Pleasant Hill News

We are sorry to report Mrs. W. M. Hood is sick.

Mr. and Mrs. Bill Agans spent Sunday in Bethany community with Mr. and Mrs. Lennie Willford.

Mrs. E. W. Hood, Mrs. C. M. Rhodes and Mr. and Mrs. H. A. Hodge returned from New Jersey last week after spending a week more with relatives.

The crops are looking fine since we had our last rains.

Mr. and Mrs. A. O. Puryear of Wake Forest, who were in an automobile wreck week before last, are improving. Mrs. Puryear stayed in the Hospital two days.

UNION CHAPEL

After a very good revival, there were six baptized Sunday.

Mrs. Woodrow Richards and children are at home after visiting
