 Now, in carrying out my point. I saved approximately \$2.80 in one day and only had to drive my car 288 miles. 288? Let's see, m-m-m, I must have added it wrong. 8, 14, 16, 18, 24, 28, two to carry bzzz. 288, that's right. I must have made a mistake further back. Trip to Wendell 8 miles. M-m-m-m. And so, anyone but a simpleton can see how expensive it is to trade in the home town.

Next week I will discuss economies for the kitchen showing the housewife how to save in her culinary practices.

Sincerely yours,
 The Swashbuckler.

CAUSE FOR WONDER
 The "Old Reliable" on last Sunday morning introduced a front page article with a paragraph stating that congress had adjourned and the fighting factions of the Democrats went home "wondering if the parties' once sold majorities had been split beyond repair."
 Of course what was meant was the once "solid" majorities, but the typographical error was suggestive to say the least, indicating that some of them might not stay sold.

COLORED NEWS
 There will be a program at the Zebulon First Baptist Church Sunday, August 29. The program begins at 1:30 P. M. Quartette and choir singing. All churches are cordially invited to attend and hear the lectures. Topic: "The use of the Missionary Circle in the Church".
 Mrs. J. A. Gresham, Pres.
 Mrs. E. V. Williams, Secy.
