When you're nervous they tell you to relax. Easy advice to give, but mighty hard to follow. You will find it much easier to relax—to overcome Sleeplessness, Nervous Irritability, Restlessness, Nervous Headache after you take

DR. MILES' NERVINE

DR. MILES NERVINE is a well known nerve sedative. Although the formula from which it was made has been in use for nearly 60 years, no better medicine for a tense, over-wrought nervous condition has ever been prescribed. DR. MILES NERVINE is as up-to-date as this morning's paper.
