## BEGIN TODAY

Dream not too much of what you'll do tomorrow,  
How well you'll work perhaps another year;  
Tomorrow's chance you do not need to borrow—  
Today is here.

Boast not too much of mountains you will master,  
The while you linger in the vale below;  
To dream is well, but plodding brings us faster  
To where we go.

Swear not some day to break some habit's fetter,  
When this old year is dead and passed away;  
If you have need of living wiser, better,  
Begin today!

THE QUESTION IS:

**DO SMOKERS APPRECIATE CAMEL'S COSTLIER TOBACCOS?**

THE BEST ANSWER IS:  
**CAMELS ARE THE LARGEST-SELLING CIGARETTE IN AMERICA!**

IS it good business to spend millions more for costlier tobaccos? Well, the fact that Camels are the largest-selling cigarette shows that men and women *do* find something choice—something different—in Camels. Camels are a matchless blend of finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic.
