**ADVENTURE IS COMING  
 IN THE AMERICAN BOY**

Readers who like adventure and the lure of far places will find plenty to please them in coming issues of THE AMERICAN BOY Magazine. They'll read, for instance, of seamen and sabotage and San Francisco water-front trouble; of daring adventure in the world of pseudo-science, and of a feud aboard a plunging, rolling battleship.

They'll read, too, of excitement aboard a transport plane blaring over jungled Mexican mountains, and of stranger planes that are not bound to earth but swing through the noiselessness of space. Readers can follow a young ex-Mountie as he searches for clues in the wild northlands, and Tierney, the pie-eating detective, on the trail of city criminals.

A new feature in THE AMERICAN BOY is picture pages that tell stories. Pictures, for instance, that vividly show a day in the life of a coast guardsman, and how an Eskimo husky, sled dog does his work. They transmit the thrill of

battling a hundred pound, water-churning tarpon. Tips on how to run a broken field to how to be correct in the ballroom!

NOTE: Subscription prices of THE AMERICAN BOY will be raised in the near future. Send your subscription order at once to take advantage of the bargain rates now in effect: one year at \$1 or three years at \$2. Foreign subscriptions 50c extra. Send your name, address and remittance to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. On newsstands the price is 15c a copy.
