### Your Accident Bill

Accidents account for about 30 per cent of America's total motor-ing costs!

This is the estimate of National Safety Council statisticians. They figure that the expense of an average 100-mile driving trip is \$2.60, divided as follows: Gasoline, \$1.50; oil, 20 cents; tires, 1 cent; acci-dents, 71 cents.

The direct cost of last year's accidents, according to the same authorities, was \$1,640,000,000. That is enough money to build or pave 550,000 miles of road, at a cost of \$3,000 a mile—or to buy 1,640,000 automobiles worth \$1,000 each.

It is statistically impossible to accurately determine the indirect costs of automobile accidents. But all experts agree that they are substantially greater than even the vast direct costs.

Here is a gigantic, totally un-necessary drain on the nation's economic resources. And, bad as that is, it is nothing compared to the human waste that the reck- less and incompetent driver causes. In 1936, traffic accidents killed almost 38,000 human beings. They injured 1,300,000 more—of whom a large number will eventu- ally die as a result of the acci-dents. Blasted careers, parentless children, ruined homes—these are but three of the consequences of a heavy foot on the throttle, a drunk at the wheel, an incompetent in control of a lethal machine weigh- ing thousands of pounds.

We are now entering the winter season, in which the accident rate has always risen in the past. The most dangerous driving days are just ahead, with rain, ice, snow and early darkness to add to the al- ways-present hazards. Yet it is within our power to revoke prece- dent, and make winter a safe season. All that is needed is the cooperation of each motorist and pedestrian. Do your part!

### CLUB NEWS

(Continued from front page)

center be organized, this was done with Mrs. A. N. Jones custodian, this to be in connection with her work as librarian. Mrs. Carpenter asked that the club buy a garden map and attend garden clinics. Mrs. Will Speas, also of Wake Forest, spoke briefly on the cul- ture of dahlias.

An attractive plate with coffee was served by the hostesses.

The Garden club will have the program at the meeting on the Woman's club on the second Tues- day in December when Protection of Evergreens will be the topic for consideration.

#### Club Meets Tuesday

The regular meeting of the Wo- man's Club will be held on next Tuesday at 3:30 p. m. with Mrs. A. N. Jones in charge of the pro- gram. Mrs. Jones is planning spe- cial features to emphasize Book Week and to make clear the needs of the local school library. A speak- er from Raleigh is expected and it is earnestly desired that all mem- bers be present.

The Junior Woman's Club held its regular meeting last Thursday night. After a brief business dis- cussion Miss Jo Dunlap gave a very interesting talk on New Fron- tiers of the Mind. Mrs. Norman Screws and Mrs. Russell Temple were hostesses. The next meeting will be Thursday night, Nov. 18 and will be held at the Wakelon dormitory instead of the club- house.

### DEATHS

R. L. LILES

On Saturday night, November 6, around 10:00 o'clock Mr. Liles passed away. His death was a shock to his family as well as friends. It came almost suddenly, as he lived only a few minutes after he fell under a street light almost 100 yards from his home; when returning from up town on an errand. He was picked up and rushed home but no earthly help could do any good. He was loved by every one, a kind loving, de- voted, father and husband. Mr. Liles had no enemies; every one seemed to like him. He always wore a smile and had a cheerful word for everybody. He will be missed not only by his family but his host of friends. He was 55 years 11 months and 6 days old.

He is survived by his wife, for- merly Miss Hannah Dean, and seven children of whom one is dead, Wallace, Warren, Lina, An- nie Pearl and Wesley Liles of Ze- bulon and Mrs. Claud Dunn of Macclesfield, and three grandchil- dren. Also three sisters, Mrs. N. H. Horton, Mrs. B. C. Bunn and Mrs. J. H. Ferrell, all of Zebulon. Funeral service was held at the home Sunday afternoon at four o'clock, being conducted by Rev. Theo. Davis, Rev. R. H. Herring of Zebulon and Rev. A. A. Pippin of Wakefield. The remains being placed in the family cemetery.

### MRS. BROOKS JAMES DEAD

As Mr. and Mrs. Brooks James and baby, of Troy, were returning home on Sunday night after a visit to Mrs. James' parents, Mr. and Mrs. Jutt Robertson of Knightsdale, they were involved in an accident that proved fatal for at least one member of the family.

Near Carthage a car occupied by two Blue brothers collided with that of the Jameses. The force of the impact twisted the automo- biles together so that wreckers could not separate them. A truck ran into the James car from the rear and other cars in the dark- ness struck with less force before the situation was under control. The James baby was thrown through the windshield and no hopes are held for its recovery. Mr. James, thought at first not to be seriously injured, is suffer- ing from severe concussion of the brain. Mrs. James was found to have a crushed thigh and broken leg. Her injuries, coupled with loss of blood resulted in her death on Wednesday.

Formerly Miss Pearl Robertson of Knightsdale, the deceased has many relatives and friends in this section. Funeral arrangements are not known here yet.

### MRS. JOE STRICKLAND

Mrs. Joe Strickland, 68, died Monday night at her home here. She had been ill for several months. Funeral services were held at Clydes Chapel Baptist Church at 2:30 o'clock Wednesday after- noon, conducted by the pastor, as- sisted by Rev. R. H. Herring.

Surviving Mrs. Strickland are her husband, two daughters, Mrs. Ella Honeycutt and Mrs. Daisy Brannan of Zebulon, and two sons, William Strickland of Zebu- lon and Joey Strickland, Jr., of Halifax.

Of seven wrecked cars towed in- to the Philette Garage for repairs between Friday night and Sunday, six were wrecked between Zebulon and Edgemont, just beyond Wen- dell. This is probably a record for the time and place.
