

SLOAN GIVES \$10,000,000

New York City—Alfred P. Sloan, Jr., Chairman of the Board of the General Motors Corporation, has \$10,000,000 as an endowment for the Alfred P. Sloan Foundation for economic research. His brother Harold S. Sloan, former Associate Professor of Economics at State Teachers College, Montclair, N. J., is named executive director of the foundation.

NEW HEAD DIVISION PURCHASE & CONTRACT

Conjecture and curiosity as to who would be the new head of the State Division of Purchase and Contract have been satisfied or disappointed by Gov. Hoey's appointment of Senator J. Benton Stacy of Rockingham to fill the place made vacant by the resignation of Capus Waynick.

The new head had experience as purchasing agent for troops during the World War and has had practical experience as buyer for his own mercantile establishments. He is 46 years old and was State Senator in 1935.

Instead of contributing toward a personal gift to Mr. Waynick as he left Raleigh for his home in High Point, a group of his assistants took in his name one of Raleigh's needy families for which they will provide food, clothing, and cheer at Christmas. He is said to have approved their action and to have thanked them for doing this and not offering him a gift for his own use.

CHARTS HOUSING SHORTAGE

New York City—Headed by Mgr. John A. Ryan of the National Catholic Welfare Council, the National Housing Committee Reports that since 1930 there has developed a nation-wide shortage of 2,000,000 dwelling units adaptable for families paying \$30 or less per month. It will take builders two years to erect 1,503,853 homes annually to supply the shortage, plus the normal yearly demand for 485,574 housing units.
