MRS. THEO. B. DAVIS, Editor

Extract from SNOWBOUND

How strange it seems with so much gone
Of life and love, to still live on!

Yet Love will dream and Faith will trust
(Since He who knows our need is just)
That somehow, somewhere, meet we must.
Alas for him who never sees
The stars shine through his cypress trees!
Who, hopeless, lays his dead away,
Nor looks to see the breaking day
Across the mournful marble play!
Who hath not learned in hours of faith,
The truth to flesh and sense unknown,
That Life is ever lord of Death,
And Love can never lose its own!

J. G. Whittier.

Where's Elmer?

Where's Elmer? loudly do they call,
The ward nurse and interne;
We know; and we can tell them all,
If they would like to learn.

Their springs and mattress are so bad
That Elmer's gone to buy
The very best that can be had—
You may, too, if you try

There is a modern pleasant way to get relief from Headache, Gas on Stomach, Colds, Heartburn, "Morning After" and Muscular Pains. Just drop one or two ALKA-SELTZER tablets into a glass of water. Watch it bubble—listen to it fizz. As soon as tablet is dissolved, drink the tangy solution.

Alka-Seltzer

(Analgesic Alkalinizing Effervescent Tablets)

You will really enjoy the taste—more like spring water than like medicine.

ALKA-SELTZER, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate), which relieves pain, while its alkalinizing agents help to correct everyday ailments associated with hyperacidity.

Your druggist has ALKA-SELTZER. Get a 30c or 60c package on our "satisfaction-or-money-back" guarantee.
