THE FAIRY ARTIST

O, there is a fairy artist
Who paints in the cold night
hours;
Pictures for little children
Of wondrous trees and flowers.

Pictures of snow-white mountains,
Touching a snow-white sky;
Pictures of distant oceans,
Where pigmy ships sail by.

The moon is the lamp he paints by,
His canvas the window pane;
His brush is the frozen snowflake,
Jack Frost is the artist's name.

Now My Dear DON'T LET THAT HEADACHE SLOW YOU DOWN

STOP IT WITH Alka-Seltzer

Does Headache "slow you down?" You are a rare exception it does not.

One or two tablets of ALKA-SELTZER in a glass of water makes a pleasant alkalinizing solution that usually brings relief in just a few minutes.

ALKA-SELTZER is also recommended for:
Gas on Stomach, "Morning After", Acid Indigestion, Colds, and Muscular Pains.

You will like the tangy flavor and the results when you take Alka-Seltzer. Alka-Seltzer, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate). In addition, the alkalinizing agents in Alka-Seltzer help to relieve those everyday disorders associated with hyper-acidity.
