

**Taxes Catch Up With The Joneses!**

NEWS ITEM: Special additional motor levies put the average car owner in the position of losing the cost of his car through tax payments every four years. While the estimated value of the average car is only \$200, motor taxes cost the average driver \$50 a year. Of the \$50, more than \$30 represents cost of duplicating federal and state taxes on gasoline consumed in 40 days of travel. The year-round driver may lose his whole investment through taxes in one year.

**UNEMPLOYMENT DATA FOR WAKE COUNTY**

Wake County has 2,493 persons totally unemployed and who want to work, 1,031 employed in Federal emergency projects and 1,524 who are partly employed and desire more work, according to the census on total and partial unemployment recently made public in Washington. In the entire State there are 205,110 men and women who are entirely or partially unemployed or are working on WPA, NYA, CCC or other emergency work. Figures

for the Nation show 5,821,035 totally unemployed and desiring work, 2,001,877 emergency workers and 3,209,211 part time workers who need additional employment, making a grand total of more than 11 million men and women in the army of unemployed and partly employed.

**TO CHILDREN AND OTHERS WHO ENJOYED THE SUPPLEMENT TO THE ZEBULON RECORD:**

We are very sorry that we could not keep on sending the supplement each week with our paper; but it cost us so much that we could not afford it any longer. When we get enough new subscribers, or enough old subscribers who owe us, pay up, we hope to have money to pay for the supplement again, and shall be glad to mail it each week with the rest of the paper.

Meanwhile we are doing our best to make THE RECORD interesting and want you to keep reading it. Tell your friends about it, reminding them that when we have a larger number of paid-up subscribers, we can have the colored "funnies" again.

Editor of RECORD.

The buying of books is not as important as the reading of them.

If schemes made money the millionaires would clutter the earth. the people in his neighborhood are just a little better than the people in the next neighborhood and far superior to all foreigners.

A provincial citizen believes that

**"I'M A TOBACCO PLANTER"**

THE CAMEL PEOPLE BOUGHT THE BEST LOTS OF MY LAST CROP. PAID A HIGH PRICE FOR MY FINEST GRADES. I SMOKE CAMELS — BECAUSE I KNOW THERE ISN'T ANY SUBSTITUTE FOR MORE EXPENSIVE TOBACCOS. MOST PLANTERS FAVOR CAMELS. THEY KNOW THE DIFFERENCE!

WHEN veteran planters like Mr. Hatton say: "Most planters favor Camels," their choice is based on first-hand knowledge. If you are not a Camel smoker, try them. Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic.

**MR. VERTNER HATTON**, who has grown tobacco for 20 years

**"WE SMOKE CAMELS BECAUSE WE KNOW TOBACCO"** TOBACCO PLANTERS SAY
