CONTROL CARRIED

Farmers voting on last Saturday as to whether they desired crop control for cotton and tobacco, decided for it by a big majority. More than ninety per cent of the farmers voting were for control as regards cotton. A less number favored tobacco control.

Under the system now in effect there will be penalties attached to growing more cotton or tobacco than the allotted acreage. The decision made is for one year only.

AUSTRIA NOW PART OF GERMANY

With Hitler making a triumphal entry into Austria that once mighty country has become a part of Germany. A plebiscite announced April 10 will probably be only for the purpose of allowing the people to publicly sanction the step that has been taken. Mussolini is said to be enthusiastic over Germany's move. There was no bloodshed when Austria ceased to be a nation. Her president resigned after unsuccessfully opposing the movement to unite with Germany, which was a Nazi aim.

Half a loaf is said to be better than no bread; but sometimes too long a loaf means no bread at all.

Trust in the Lord and do good; so shalt thou dwell in the land, and verily thou shalt be fed.—Bible.

Below is a recipe clipped from a northern periodical. If followed exactly, the result is an unusually good oatmeal cookie. If, however, you have, figuratively speaking, to cut the garment according to the cloth, you may use white sugar instead of brown; you may use some other shortening instead of butter; you may add chopped pecans instead of walnut meats; and you will still have something very desirable for lunches. You may also use more raisins than one-half cup, which, I think, is an improvement. But then I'm a crank about raisins.

Oatmeal Rocks

Cream thoroughly
1 cup brown sugar
2-3 cup shortening. Add
2 well-beaten eggs. Beat. Add
4 tablespoons milk. Place in flour sifter
2 cups flour
1 teaspoon soda
1 teaspoon cinnamon
1-2 teaspoon allspice
1-2 teaspoon nutmeg
2 cups oatmeal
1 cup chopped walnut meats
1-2 cup soaked raisins. Add flour and spices. Blend thoroughly Place by teaspoonfuls on greased cookie sheet. Bake 20 minutes at 400 degrees F., or until brown.
