

Little River Ice Co. To Give Free Show April 26

Zebulon is to have a new kind of cooking school. Instead of a demonstrator to appear in person and show the preparation of foods, there will be a moving picture at Wakelon Theatre to which all who are interested may go free of charge. The hour is 3:00 in the afternoon. The Picture is called "Husbands Are Good For Something." J. C. Debnam is working out final plans. Tickets are being printed and will be distributed at Wakelon Theatre; at The City Market; at the Little River Ice Co. office; and by employees of the firm. Do not fail to attend. You are assured of a comfortable seat, a good view of the stage, and a program full of interest. In addition valuable prizes will be given away.

Watch for further announcement next week.

Local Officials Endorse Drive Safely Crusade

At a supper given at the Woman's Club last Thursday evening by the Pure Oil Company prominent citizens from every walk of life heartily endorsed the "Drive Safely" Crusade which is being sponsored by the Pure Oil Company and its dealers.

Commenting on this drive to save lives, avoid accidents and prevent injuries Mayors S. G. High of Middlesex and J. J. Proctor of Spring Hope, emphasized the fact that highway safety depends on the individual effort of each driver and points out the fact that this Crusade puts every person on his honor to keep a sincere pledge to drive safely.

The Golden Rule of driving is the basis of the "Drive Safely" Pledge which every motorist is being asked to sign in the "Drive Safely" Crusade. If every motorist will observe the rights of others and "drive as you would have others drive", many accidents can be avoided.

Motorists who sign the "Drive Safely" Pledge will receive an attractive metal emblem which will be installed above their rear license plate, reading "Pledged to Drive Safely." This will act as a constant reminder to themselves and the motorists in back of them to observe the common sense rules of safe driving.

As a further method of keeping safety foremost in the minds of all motorists, monthly contests are being conducted which will

handsomely reward motorists. The April contest offers 75 prizes, totaling \$1,000, to North Carolina and South Carolina motorists for the best slogans on highway safety.

In announcing the "Drive Safely" Crusade, Mr. Wiley Moore, President of the Pure Oil Company, has emphasized the fact that the purpose of this drive is not to sell merchandise—but to save lives. Motorists who go to Puro-Pep service stations for the pledge cards, "Drive Safely" emblems, or contest entry blanks are under no obligation to buy anything and station operators have been instructed not to solicit business on the occasion of these calls.

In Zebulon the "Drive Safely" Crusade activities are being directed by S. J. Noreck, local representative of the Pure Oil Company.

Recorder's Court

After deliberating for nearly a month the judge decided that Jack Edwards' offense was not to be passed over lightly, so informed Jack that he must work on the state roads for 90 days or pay a fine of \$50, and not drive his car for a year.

David Bullock was accused of false pretense. He may, like most men, have been guilty of false pretense, but the court did not prove it on him and David went out looking true as life.

Allen Tuck "tuck" a drink too much, misbehaved himself, so a sentence of 60 days was charged against him. This was to be removed if he would pay the court costs and behave himself for two l-o-n-g years. Poor Allen!

Daphne Lucas got caught a comin' and a-gwine, it seems. She got in the toils for drunken driving and before she settled with the law tried to better her first offense. The court sent her to the common jail (must have a better one for folks who drink ABC liquor) for 60 days plus 60 days.

Eddie Curtis was accused of carrying a concealed shot gun in his britches! And it seemed that he did for he pays into the state's strong box \$50 iron men and refund the cost incurred by the law in searching out that sawed off shot gun.

Theodore Arrington unlawfully laid to on his wife and for the pleasure of beating her up or down or something of the sort, he paid the expense of having his caveman stuff narrated in court.

It seems Theodore set a good example before Thomas Ivey, or at least Tom assaulted a female also. Possibly he chose the wrong woman, not his wife, and the judge doubled Theodore's dose for Tom—60 days on the highways. This was suspended on payment of a fine of \$10.00 and the costs.
