We are glad to report that Mr. B. E. Lewis is recovering rapidly.

SOLOMON'S PORT DISCOVERED

Report is made by Prof. Millar Burrows, President of American Schools of Oriental Research, that discovery has been made of the seaport used by King Solomon's ships in the days of the Queen of Sheba. Explorations on the Eastern arm of the Red Sea bared the site of the ancient city. Evidence was found of the smelting of copper and the manufacture of copper implements. As in many other instances, the Bible was the key to the location of the seaport, which is still used by the Arabs.

A. S. Bridges was taken by ambulance to the Veterans' Hospital at Columbia, S. C. on Tuesday of this week. Mr. Bridges' condition has become much worse recently.

The Butcher Boy

THAT COMMON AILMENT OF ALL MANKIND commonly called "hunger" should have a three-times-a-day treatment. You know that old saying—it's better to pay the butcher than the doctor—not that we begrudge the M. D. any business, because he's one of our best customers.

For a gnawing sensation in your stomach try a nicely-browned chop. Balance it with squash, boiled onions, lettuce and tomato salad, and a cup of Old Mansion coffee. Have Lemon Pie for dessert.
