PHIL-ETTE MOTOR COMPANY
 GAS—OIL—GREASING

Mrs. Douglas Cooke of Fayetteville with her little son, Douglas Barbee, came to Zebulon last Sunday to spend some time with her mother, Mrs. Will Liles.

Miss Marie Kimball is at home for a month with her mother, Mrs. Mamie Kimball, after teaching during the school term.

ALASKA MARRYING GROUND FOR TEACHERS

Juneau, Alaska—Alaska's school ma'ams get married so fast it helps keep the territory's teaching standards at a high level.

Commissioner of Education Anthony E. Karnes has a long list of applications and can choose the best.

"We are constantly being obliged to replace them," he explains.

WPA FUNDS LURE MORMONS

Salt Lake City, Utah.—Despite leaders of the Church of Jesus Christ of Latter Day Saints, who announced their determination to keep Mormons off Federal relief rolls, many of their followers have succumbed to the prospect of easy money on government projects. Heber J. Grant, 81-year-old president of the church, explained, "Because it has proved impossible to persuade many of the members to resist the temptation to lean on the government, we now have to be content with urging those who go to work on WPA projects to give an honest day's work for their money."

Originality blazes a new track, while eccentricity runs around on one wheel in an old rut.—The Next Step.

POTPOURRI

Ancients Used Copper

One naturally thinks iron must have been the metal first known to man. Such is not the case. The Egyptians are known to have fashioned tools and utensils of copper and bronze—which is an alloy of copper and tin—some 5,000 years before Christ. Early American Indians also were familiar with copper.

REVIVAL AT UNION HOPE

Commencing next Sunday afternoon at 3:00 there will be a revival meeting all next week at Union Hope Baptist Church. The pastor will be assisted in the meetings by Dr. J. C. Owen of Newlands, N. C. Dr. Owens is an evangelist of wide and successful ministry. For 12 years he was missionary to China of the Southern Baptist Convention. For 8 years he was evangelist among the mountain schools of the South. He is a preacher of great power and deep consecration. This week he is in a meeting at the Baptist church in Kenly.

The services at Union Hope Monday will be at 3:00 o'clock in the afternoon and at that hour each day during the week and also at 8:00 o'clock at night. The

National Shoe Fair Opens

The National Shoe Fair is on in Boston this week and 405 manufacturers have their wares on display. Models shown are for the fall and winter trade, for factories must work far ahead of dates when shoes are to be sold over counters. Styles for women's shoes are most numerous. The still new Wedgees, having heels low and broad, extending forward to the ball of the

foot, are somewhat changed in styling. There is a new "mudguard" shoe that has an overlay of leather extending above the sole. Suede, kid, and patent leathers are all in use and many are in such colors as wine, golden brown, marine blue, and chestnut. Men's shoes are heavier, with either round or square toes. In fact, shoe styles for men seldom vary much.

meeting will close the following Sunday night. The public is cordially invited to attend these services.

The cost of building a frame house of moderate size is estimated to be about 12 1-2 cents per cubic foot.

In making jelly best results are usually obtained by using only three cupfuls of sugar to four cupfuls of fruit juice. Plums are an exception, calling for equal measures of juice and sugar.

Why doesn't some one invent an easy way to clean a comb?

LAST CHANCE TO WIN \$210.00 CASH FREE!

AND A TRIP TO NEW YORK CITY WITH ALL EXPENSES PAID TO CORRESPONDENTS

The Zebulon Record wants a good correspondent in every community in which this paper circulates.

The Country Home Magazine offers \$1,000.00 in prizes and a trip to New York, Washington and White Sulphur Springs for the national winner and a handsome certificate of merit for the winner in each state. In addition to the free trip, \$200 in cash will be given the winner. Every correspondent of **The Zebulon Record** will have an equal chance to win in this contest. **The Record** will also give two cash prizes—\$10.00 and \$5.00—to its best correspondents.

We furnish stationery free—paper, envelopes and stamps. Send in your name and we will send your stationery so you can get in the race to win. The contest begins now and runs one year.

This is not only an opportunity to tell all the world what important things are taking place in your community, but for you to win \$210.00 and a trip to New York and Washington FREE.

Send for your stationery today and get the news in for the next week's issue of **The Zebulon Record**.

After June it will be too late to enter the contest.
