MRS. THEO. B. DAVIS

Champion Country Correspondent

In the Country Home country correspondent contest last year, Mrs. Edna Eaton Wilson, a farmer's wife of Ripley, Okla., won the cash prize of \$500 and also a trip to New York, Washington and White Sulphur Springs with all her expenses paid. She helps to run a 70 acre farm along with her husband and four sons. Correspondents of the Zebulon Record may win these prizes next year and also \$10 extra given by the Record for best correspondent. Send in your name, get your stationery and notepaper, send, or fire the news in from your community. You may win first prize, but with June your chance of entering the contest will be lost. Not more than one person from your community is desired.

W. N. C. U. C. Bldg. In Raleigh

Raleigh, June 22—Solution of the long standing problem for the N. C. Unemployment Compensation Commission has apparently been solved. The offer of Dr. James R. Rogerson to erect a \$100,000 building as a permanent home for the Commission westward on Wilmington street toward the southeast corner of Capitol Square. The building will be 105 by 105 feet and will contain 10,000 square feet on each of three floors, the basement, to be used for room and storage. The building will be of brick and concrete with limestone facing, in line with the State building on the square. It will give ample space for the permanent agency after completion, by July 1. The Commission will vacate the inadequate quarters on Beville street until the new building is finished. The Commission has been seeking more space for its operation for months or more, and had offers from Greensboro, Salisbury and Charlotte. The final result will result in its new home in Raleigh.

Heavy Rain In Johnston

The heaviest rain for years fell on Johnston County in the Corinthian last Sunday afternoon. It rained that for a while, and even fields were waterlogged. The storm hit Zebulon but passed by with only mild showers. The heavy rains are retarding the work of clearing crops of the county while hastening growth of vegetation. Grass is "taking" and farmers can do little about killing it while the ground is wet.

Lightning Hits Stove

At the Claude Pippin home last night a new electric stove was struck by lightning and seriously damaged, to say nothing of the fact that it gave Mrs. Pippin. The stove had been carefully installed and the work approved.

MOTHER-DAUGHTER DINNER

Last Wednesday night at the Woman's Club House the Girl Scouts entertained their mothers at dinner. All the preparations for the dinner were made by the girls themselves so their mothers really were the guests of honor and not part-time cooks. Twenty-two mothers were present. During the dinner the following program was rendered. A talk on What Our Troop Has Been Doing, by Anne Massey. The Scout Laws and Motto, by a group of twelve girls. Song and tap dance by Doris Kimball. Song by Betty Lee Winstead, and a recitation by Virginia Bridgers.

The dinner consisted of fried chicken, mashed potatoes, string beans, deviled eggs, hot rolls, butter, butterfly salad, iced tea and home-made cakes. After dinner plans were made for the trip of the Senior Scouts to White Lake. The dinner is thus far the outstanding accomplishment of the Girl Scouts, but in the future we hope to do many things beneficial to ourselves and our community.

Back To Nature

As a part of a program to check soil erosion in Idaho Secretary Ickes has approved the purchase of 600 beavers at \$8.00 each. The beavers are to build a series of check dams and assist in conservation of moisture as well as of land.

No statement has been made as to who or which will direct the work of these newest, yet oldest-fashioned of governmental aides.

Raid Near Zebulon

On Sunday ABC Enforcement Officer H. V. Andrews and his assistants seized 14 gallons of non-tax-paid whiskey and arrested six men on bootlegging charges near here.

Those taken into custody were Robert and Elbert Carpenter, Negroes; Roy Strother, Kerman Strother, M. W. Perry, and Oscar Perry. Assisting Andrews in the raid were Constable Baker, Special Officers W. B. Hopkins and D. W. Andrews.

He who forgives ends the quarrel.

On Council Of Robin Hood Farm

Raleigh.—Appointment of Paul Cashwell, Avon Privett and E. H. Moser as members of the Advisory Council of Robin Hood Farms was announced here today by George Ross Pou, chairman of the Steering Committee.

Robin Hood Farms is the unique vocational project which plans to make worthy and properly qualified Tar Heel boys self-supporting and self-respecting North Carolina citizens by teaching them practical farming. Starting with a small number of boys, it is planned to increase the number gradually to 500 boys and girls. Practical farm education will be given by experienced farmers, augmented by co-operation of the extension facilities of North Carolina State College.

The Farms plan to select carefully a limited number of well prepared boys and girls over high school age and without means. Education, character and training will be among the qualifications to be considered by a committee on enrollment. There will be no living expenses to those selected, and a small amount of spending money will be provided.

An option has been obtained on a tract of 2,275 acres of representative farm property, near Pinehurst. The land is neither the best nor the worst in the State, affording experience under average conditions. About 700 acres are cleared, and part are now in cultivation. The remainder includes valuable wooded land, lakes, the largest barn in the State and an excellent water supply. It is believed by those interested that the community established near Pinehurst will be all inclusive and self-supporting.

It is believed also that after training there, the young men will have little difficulty in getting jobs on farms or in industries related to farming.

Mrs. Edwin Clarke Gregory, of Salisbury, is State Chairman of the Woman's Advisory Division.

BASEBALL

Three home games are scheduled this week for the Zebulon club of the Tobacco State League. The first is with Fayetteville on Wednesday. On Thursday the Johnston County League All-Stars play the Zebulon team here. The final game of the week is on Saturday when Erwin meets the Leafs.

The game Thursday with the Johnston County League All-Stars is expected to be one of the best of the year. The All-Stars team is made up of the two best players of each of the eight clubs of the Johnston County League. Consequently, this exhibition game will probably be better than the average game of the regular schedule.

Aycock Kills Self

W. B. Aycock of Raleigh, son of former Governor C. B. Aycock, committed suicide on Monday by shooting himself. He was a veteran of the World War where he suffered injuries that later disabled him. Surviving are the wife and three children. He was 47 years old.

CHURCH NEWS

MRS. B. A. HOCUTT TO SPEAK TO W. M. S.

The Southside Circle of the Baptist W. M. S. will have charge of the general meeting at four o'clock on next Monday afternoon in the church. Mrs. S. A. Horton, chairman of the Southside Circle, takes much pleasure in announcing that a special speaker has been secured for the afternoon, Mrs. B. A. Hocutt of Clayton having consented to be present and make an address.

Those who know Mrs. Hocutt and who have heard her speak realize that a treat is in store for them. Few workers in the Johnston Association have her grasp of the W. M. U. plans in their entirety, her energy and enthusiasm, and her consecration to the cause.

All members of the Zebulon church are urged to attend, and all interested are invited.

CHURCH CALLS PASTOR

Dr. J. C. Owen preached at the Baptist church on last Sunday morning, taking for his theme Consider Christ. There was no service at night. In a conference after the morning sermon the church in session voted to extend a call to Rev. George J. Griffin, who has recently preached for the congregation. It was also decided that the church go to full-time, with preaching services every Sunday. At this date no message has been received from Mr. Griffin, who is on a honeymoon trip to northern states following his marriage last Friday in Rockingham to Miss Elizabeth Poplin.

Revival services at Union Hope closed on Sunday night. The preaching was by Dr. J. C. Owen of Newland. As a partial result twenty were received into the membership of the church. The pastor, Theo. B. Davis, will baptize candidates for the ordinance on a later date.

The Southside Circle of the Baptist W. M. S. met on Tuesday of this week with Mrs. C. S. Chamberlee with 15 present.

AT METHODIST CHURCH

The pastor would appreciate good attendance at both services next Sunday.

Topic at 11 a. m.: "The Christian's Persecution."

Special service for young people at 8 p. m. All serious minded people invited to all our services.

J. W. Bradley.
