CONGRESSMAN COOLEY CALLS

Congressman Harold D. Cooley of Nashville was a social caller at the Record office Tuesday. He was on his way to Raleigh. In striped pants, white shirt and straw hat Mr. Cooley looked cooler than the weather felt. He said he had just returned from the Bermudas with the Bankers Association. We asked him why he was not in Washington. He replied that he spent last summer there and did not care to spend this one there unless it was necessary.

We understand that our Congressman is a probable candidate for Governor in 1940. Whether he is or not, we believe he would make a good governor and as a candidate he would be hard to beat.
