VOLUME XV.

ZEBULON, NORTH CAROLINA, FRIDAY, AUGUST 26, 1938

NUMBER EIGHT

THIS, THAT, & THE OTHER

CHURCH NEWS

BAPTIST CHURCH

The following are the church notices for the Zebulon Baptist church, Sunday, August 28:

9:45—Sunday School.
10:00—Morning Worship. Sermon subject: "Steps In Discipleship."

3:00—Evening Service. Theme: "How White and the Seven Carfs." This is not Walt Disney's picture, but it is a use of it which serves to illustrate some of the basic Christian truths and doctrines.

G. J. GRIFFIN, Pastor.

M. E. CHURCH

card mailed at Marion says: preaching at Methodist church next Sunday. Holding service at home church in mountain near Old Fort. On vacation.

J. W. BRADLEY.

REVIVAL CLOSES AT SAMARIA

The revival closed at Samaria Saturday night, Aug. 21. Rev. L. D. Ward assisted the pastor, A. D. Parrish. The church was greatly edified and as a visible result there were thirty-two additions to the church, 29 for baptism. Rev. Leppard brought deep spiritual messages, and every one who came saw how he learned to love him. A. D. Parrish is in Greenville this week assisting Rev. C. Shwell in a meeting at Davis.

Next week Pastor Parrish will be listed in a meeting at Maceo near Nashville, by Rev. Wilmore, of Wendell.

CHURCH PICNIC

Beulah Christian Church will be a community picnic Saturday, Aug. 31, 1938. There will be cold drinks, ice cream and other things sold on the grounds for the benefit of the church for building more rooms to church.

There will be a program beginning at 10 o'clock, A. M. Everyone is invited to come and bring a pocket to help fill the table. The picnic will be at 12 o'clock.

PHILLIPS HAS MEETING

Southside Missionary Circle will meet Monday with Mrs. Robert Phillips, the program being in charge of Mrs. George Griffin, Lorenzo Bunn, Mrs. Andrew Bunn and Mrs. F. E. Bunn.

They enjoyed the program and were 21 present. After the service session all were served refreshments. The women, their husbands and children will have a supper at 5 o'clock on Wednesday of next week, Aug. 31, at 1 between Zebulon and Wendell. It is the desire of these faithful workers to have more members. Visitors are welcomed at all times. The next meeting will be at Mrs. Gainey.

Zebulon School Opens Sept. 7

John C. Lockhart announces the opening of the schools of Wake county on Sept. 7. This means, of course, that Zebulon will also be in school year on this date.

Moser says that some (Continued On Back Page)

Tobacco Market Opens Thursday

All over eastern Carolina for the last month and especially the last week there has been much excitement and a great deal of hurry and flurry over what would happen Aug. 25. And that is today. Starting even before nightfall Wednesday and all night long, cars, single and with trailers, trucks loaded high with tobacco, were traveling toward the towns that had made preparations for one of the biggest tobacco openings in the history of tobacco growing and marketing in North Carolina. For a week the daily newspapers have been filled with pictures of warehouses and their operators. Not only was the tobacco business headlined, but even the banks and churches and the town as a whole were front-page stuff.

Raleigh rushed to open a new market for the tobacco growers. Goldsboro has built a big warehouse in two weeks, working day and night to complete it in time. Kinston, Farmville, Greenville are all set for a big opening. Coming nearer home Wilson and Rocky Mount have made preparations for the best season in their history. And our neighbor town, Wendell, has improved all her old warehouses and added a fourth. The tobacco men are working hard to make this Wendell's best season, and it should be their best. Situated in the center of the bright leaf tobacco section, having good roads leading into this market, accessible without a long haul and board bills and a long wait, Wendell is one of the best markets available to the farmers. And it will be this season. With good buyers and as fine a set of warehousemen as on any market, ample floor space, Wendell is prepared to give the very best service to the farmers it has ever offered.

CLUB COLUMN

LIBRARY DEPT. AT HOME

The invitation below to the general public should be of much interest in this community.

THE LIBRARY DEPARTMENT

of
The Woman's Club
Requests Your Presence
on
Thursday, September 1
from 3:00 till 6:00 P. M.
At the Clubhouse

Of course nobody is expected to stay the whole three hours. Just drop in when you find it most convenient and see what this department is doing for children and adults in providing entertainment that is beneficial.

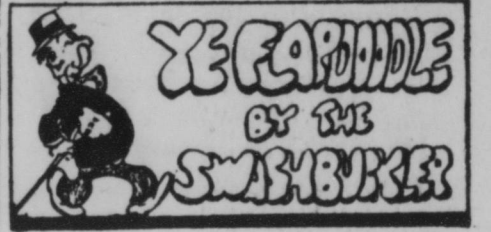

Mrs. Jones asks that all who have books due to be returned this week bring them in before Friday as she is to return one consignment to Raleigh on that day and bring out more. The library will be closed each Friday from now until school opens.

Zebulon Smashes Win Over Sanford

On Tuesday, August 23, the Zebulon Ball Club played their final game. Felix Little pitched a 5-1 victory for Zebulon over Sanford.

T. Frye made the most spectacular catch in this game. He caught a ball on the fly and it knocked him for a loop. However, he recovered and threw a Sanford man out.

Whether or not Zebulon will play in the finals is not known as we go to press. They escaped from the cellar and passed Faytex by winning this game. They are only a slight distance behind Laurinburg, and because they played Erwin one game under protest they may be able to be among the first four in the end.

Here I am, ladies and gents, back from a week of sleep. The week was full of daze and lo and behold, when I awoke I was living 1037 years, 3 months and 17 days from now.

The thing that impressed me most about the people that will be living then was their absence of thinking. They never thought more than 5 minutes about any one subject and their intelligence was measured not by the IQ (intelligence quotient) system, but by how much they could absorb.

The people were dripping with knowledge and it made me dizzy to see how far the scientists had advanced from the present day. Whenever one wanted to learn anything he would simply clamp on a skull cap that was attached to a FACTORY and absorb all he wished to know.

The day when such things as that will happen is still 1037 years and some few months off. Scientists have not yet invented thinking machines to relieve us of that duty—so—until they do, I think it would be a good idea for each of you to wrap up \$1.00 securely, put it in an envelope with your name and address, and mail it to The Zebulon Record. In exchange we will send you this newspaper for one year. Although this will not quite take the place of the FACTORY machine of 2075, it will assist you in keeping up with your neighbors.

I'm glad that's over. Stop me if you've heard this one. One day not long ago a newly-made father was in his office. Suddenly his telephone rang. "Hello," he said. "Hubby, dear," he heard his wife shriek, "Come home right now!" Thinking possibly something dreadful had happened he chased himself home. In his haste he broke down the kitchen door, knocked down two chairs and finally came on his wife playing with the baby. "Wh— what's the matter?" shouted the husband. "Nothing now," replied his wife. "The baby had his foot in his mouth and he looked so cute I wanted you to see him."

The complaint department has registered another complaint aimed in my direction. It's from the Skunk River section, Route five, Zebulon. That's a very complainty section. We had a complaint from those parts on December 4, 1936. May we present, ladies and gents, complaint No. 2 from Skunk River. Give it a big hand, folks.

Dere Swishbockler,
For 6 years I hev been reading your colum and I aint seen no in it yet. I think I rote 2 years ago but it didnt do no. Yore colum is ruining a wise excelant nusepaper and editer wud wake up to thet am sur he wud take it out Zebulon Record.
Yore colum just natural got nuthing wuth reading. Mr. Nathan Smiths chicken burned up last Saturday d
