NUMBER 13

CHURCH NEWS

BAPTIST CHURCH

On Sunday, October 2, the following services will be conducted at the Zebulon Baptist church:

10:45 Sunday School
11:00 Morning Worship. Sermon: "Religion That Saves".
7:30 Evening Service. Theme: "A Bit In Religion."
G. J. GRIFFIN, Pastor.

BAPTIST W. M. S. MEETS

The general meeting of the Baptist W. M. S. was held at the church Monday p.m. Mrs. Outlaw, resident, presided. The Centennial Circle had charge of the program. The devotional was led by G. J. Griffin, who was also speaker for the day. Reading from Acts, G. J. Griffin classed the apostles and John as state missionaries and emphasized the continuity of this work, extending the vital relationship among all phases of mis-

business session new officers were elected as follows: Mrs. A. N. Jones; vice-Mrs. John Broughton; Mrs. Avon Privette; Mrs. E. C. Daniel. These meet in office next month.

Meeting In Johnston

The annual session of the Johnston Association will be held at a meeting to be held at the giving church on Monday. There will be sessions in the morning and afternoon, for the entire program. "O Is Christ" Speakers: Rev. Gerald Motley, Dr. H. H. Hough, Rev. C. A. Updell, Rev. J. C. Hough. A luncheon will be served on Monday. Pastors and laymen are invited to attend. The annual meeting of the Association will be in November.

The annual meeting of the Tarboro Association, being the 108th, will be held at Wise Baptist church Wednesday and Thursday, September 5 and 6.

A sermon will be delivered by Rev. G. A. Hendricks, at the church.

A sermon will be delivered by Rev. G. A. Hendricks, Superintendent of the Orphanage; Mr. Smith, Superintendent of the Hospital, Winston-Salem; Mr. Brewer, President of the College; and Dr. W. R. Wake Forest College. The nature of the program is a practical demonstration of a Sunday School by Dr. J. D. Simons of Other demonstrations by the women's work committee. Mrs. W. W. Parker, and of Training Union conducted by Rev. John Ed-Franklin county.

The 63 churches of the state will make a brief report one of its messengers Wednesday afternoon. The election of officers will occur on Thursday at 10:00 a.m. The Association churches in Halifax, Wake, Franklin and Nash counties is one of the six in the state. J. Edward Derator; Warrenton, Rev. Derator, Clerk-Treasurer, etc.

Wakelon Defeats Raleigh Juniors

The Wakelon High School football team, a strong eleven defeated the Raleigh Juniors, 7-0, Friday, September 23 on the Broughton Field in Raleigh. This was the first game of the season for each team.

Wakelon scored in the first quarter as the result of the successive line plunges by the Co-captains Willard Morris and Vasser Eddins. Morris gained four yards in two trips, and a pass—Kimball to Pate—was good for a first down on Raleigh's 8 yard line. Kimball went through the line for a 5 yard gain and Morris carried the ball for the score. Kimball's drop kick was good for the extra point.

Coach Jimmy Gerow's eleven gave strong opposition but could not score against Coach Austin's Wakelon boys. It was not until late in the fourth period that their aggression threatened. Cheek, Raleigh reserve tackle, covered a Wakelon fumble on Wakelon's 20 yard line. A pass from Stewart to Williams was good for two yards. (Please Turn To Back Page)

PLAYGROUND MOVED

As stated last week the playground closed on Wednesday, Thursday and Friday of this week because of an Institute at Crabtree Camp. Beginning next Monday the playground will be on the town property at the water plant. Space inside is being arranged for the children's games.

Mrs. Bell desires to thank all who in any way cooperated to make the playground booth at the fair a success.

LOST AT FAIR

Mrs. N. C. Kemp exhibited flowers at the Fair last week in the lower part of a milk-shaker, which she used as a vase. It was aluminum, and disappeared before Saturday night when she went for it. She thinks it may have been taken by mistake and will be very glad of its return to her; or it may be left at the Record office.

CLUB COLUMN

District Meeting Friday

Special efforts are being made to secure the attendance of a large delegation from the Zebulon Woman's Club at the district meeting in Raleigh Friday of this week. A prize is to be awarded for the best representation from any club in the district. It is hoped that all who can will attend. Members are asked to communicate with Mrs. F. D. Finch, if they desire to go. The district meetings are important features of the yearly program of women's clubs, with helpful information and speakers of note.

ROTARY HAS 100% MEETING

Last Friday night the Zebulon Rotary Club had a full attendance, which it is hoped will be repeated next week.

The address to the club was made by Mr. Screws of Whitley and Scarboro, who spoke on the history of the art of embalming. Mr. Screws gave a most interesting talk on a subject that is all too often overlooked by the average person.

Next Friday the Rotary District Governor will be present and all Rotarians are urged to attend promptly.

SCOUT NEWS

Boy Scout Troop No. 40 met in its new meeting place, the Wakefield Woman's club, Tuesday night at 7:30. Two new members were in attendance; Wilbur Hales and Fred Pippin. The troop has recently lost two of its most ardent Scouts, Ray Pippin and Donald Pippin, who have moved from this state.

During the past week the Scouts have enjoyed working at the fair assisting the carnival in collecting tickets. The boys particularly enjoyed building their Scout booth which received honorable awards.

Next week Thursday through Sunday, nine of our Scouts are to attend the largest Scout jamboree of the year at Chapel Hill. They are: Wilbur Debnam, R. H. Brantley, Jack Liles, Harman McIntire, Carl Thomas Hocutt, Billy Green, Donald Massey, and Dave Finch. Gordon Temples will be in charge of the boys who will tent with 1,600 Scouts from Georgia, Alabama, South Carolina, and North Carolina on the University campus. Among the attractions at the jamboree will be Dr. James West, National Scout Executive, as speaker, the Carolina-Tulane football game, and numerous Scout demonstrations. The boys will obey the 13th Scout Law—"A Scout is Hungry" when they march three times daily to the University dining hall to eat.

Recently a safety patrol has been organized at the school under the sponsorship of the Scouts. It is desired that through this agency our school grounds may become entirely safe from accident.

R. I. JOHNSTON,
Scoutmaster.

No Prize List Sent In

This paper had planned to publish this week a list of prize-winners in the 5-County Fair; but at the time of going to press no such list had been sent in. It is hoped that this may be available in time for next week's Record.

From the Cynic's Seat

FERD DAVIS

Most males and all females consider the latter a boon to mankind. I differ; I consider the female a bane to mankind.

Woman in the day of the cave man was an asset because she knew her place in the cave. Woman of our day is a decided liability. Alas! She has succumbed to the evolution which caused men to refrain from swinging from trees by their tails. In many countries women are allowed to vote, and I have heard of women actually earning their living.

This is a distressing situation. I have given the matter much thought, and in the long hours of study on this I have constantly sought its remedy. From all this self-sacrificial toil I now bring a solution of this problem. When I have, by my plan, restored to us the old relationship between man and woman I shall be ranked with Washington, Lincoln and Tommy Corcoran.

First I propose to submit to our various legislative bodies the following (to be enacted as a law): No woman shall be allowed to skate in public. I realize, of course, that few women skate, but one must think of the blow to the morale of the fairer sex which such a step would deal.

My next move in the national clean-up campaign would be against the wanton conduct of unmarried women. Any woman who winked at a man or held his hand would have an "A" branded on her forehead. This would immediately put an end to such things as are objected to by old maids, school teachers, and newspaper editors.

Next I should turn my attention to the most important relationship between man and woman, that of husband and wife. At present men are much too lenient with their wives. A man ought to whip his wife (preferably with a buggy whip) at least twice a week on general principles and three times a week when she annoys him. Nor ought he to neglect the little things; they are what count. He should walk through the pansy bed and trample the violets occasionally. On every odd day of the month the husband ought to complain that the toast is scorched. On the even days let him chide the wife because the bus is late.

I am sure that the merits of my plan can easily be seen. I suggest calling it "The Five-Year Plan," and, if it does not wholly succeed, we can try it again and call it the "Second Five-Year Plan."

In the event that it does not work at all we then shall have to resort to drastic measures. There will be three courses open to us: We can strangle the women, we can feed them ground glass; or we can let Dr. Roosevelt purge them.

Though I hate to say it, I fear that we shall have to do one of these three last-named things. At some early date it will come to pass, perhaps when test tube life is perfected.

GO TO CHURCH SUNDAY

Gov. Hoey has designated October 2 as "Go To Church Sunday", which is the kind every Sunday ought to be.
