

COMMUNITY CORRESPONDENCE

PILOT

We are sorry to report that pastor Rev. F. A. Burns is in Rex Hospital. He was injured in a wreck Friday afternoon. We pray that he will soon recover and come back to us. In his absence Rev. William Cone will fill his pulpit here.

The W. M. U. met Saturday evening at the church.

There will be a meeting of the Sunday School officers and teachers at the church Thursday evening at 7:30 o'clock.

Mr. J. L. Ray fell into a tobacco pit last week and is now suffering from a cold and broken ribs.

Mr. Ned Medlin is in the hospital suffering from a fall.

The P. T. A. meet Tuesday evening and many were present.

Mr. and Mrs. Parish of Louisburg called on Mr. and Mrs. J. M. Stallings Sunday evening.

Mrs. Larosa Bunn who teaches near Louisburg visited her parents Sunday evening.

Mr. John L. Pearce and wife of Durham, N. C., spent Sunday with Mr. Jud Bunn.

Mr. and Mrs. Zedric Pearce of Durham, N. C., were visitors in Pilot Sunday.

Mr. G. F. Pearce and Mr. Sonnie Williams visited Mr. H. E. Stallings in Rex Hospital Sunday.

Mr. Jerry Hagwood and Mr. LeRoy Brantley went to Raleigh Monday.

Sunday. Mrs. Gaddy organized a W. M. U. for us.

There was a large rain and a little hail last Thursday night, but the hail did very little damage.

Miss Hazel Watkins of near Rolesville spent this week-end at Miss Vivian McDade.

PLEASANT HILL

Mrs. Sallie Jeffries of Louisburg is visiting Mr. and Mrs. C. D. Jeffries.

Mr. and Mrs. R. L. Jones and family spent Sunday night at T. Y. Puryear's.

Mr. and Mrs. J. S. Adkinson of Johnson are spending this week at Mr. J. B. Carter's.

This is not news, but any way I just wonder if any one else has had this to cheer them this fall. There are two mocking birds that sing day and night around my yard just like spring. I awoke Sunday night at 1:30 and in a crepe myrtle tree near my room they were singing. And something else rare for this season of the year. I had a beautiful Cape Jasmine (gardenia) open last week. I enjoyed the odor of it in the house a few days. Wore it to church Sunday and it was still pretty. I sent it to Mrs. (Dr.) Barbee today.

We are having beautiful weather now. The farmers are sowing grain, stacking feed, and just busy with different kinds of work. I am sorry the news letter didn't reach the office in time last week.

(Too late for last week)

We are glad to report Mrs. Connie Gay is better.

Miss Melba Hood went back to school this week after a few days illness.

Mr. and Mrs. Troy Starnes of Durham were visitors at Mr. J. F. Starnes' Sunday.

Mr. and Mrs. Cecil Carter and Madams T. Y. Puryear and O. W. Thorne were visitors at Mr. L. H. Willifords of Bethany Sunday afternoon.

Mr. and Mrs. C. D. Jefferys visited in Louisburg Sunday.

Miss Margie Strickland of Zebulon spent Tuesday night with Miss Jodie Mae Weathers.

Miss Mildred Mitchell of Union Chapel spent Sunday night with Misses Lillian Pace and Bettie Lee Oakley.

Mr. Jonah Parish and family attended the revival at Antioch last week.

Miss Ruth Parish spent Sunday night with Miss Ruth Weathers.

Miss Shirley Starnes spent Sunday with Mrs. Winnie Helen Adkinson of Johnston county.

Mrs. A. O. Puryear is spending several days with Mr. and Mrs. J. R. Moody near Rolesville.

Mr. and Mrs. Charlie Jones of Knightdale visited their parents Sunday, Mr. and Mrs. H. H. Hood.

NEW INDUSTRIES LOCATE IN NORTH CAROLINA

RALEIGH, N. C.—More than \$10,000,000 worth of new industries located in North Carolina during the eight months period from January through August, 1938, according to figures announced today by Director R. Bruce Etheridge of the Department of Conservation and Development.

These figures, based on a survey just completed by J. T. Anderson, industrial engineer of the division of commerce and industry of the Conservation Department, show that a total of 92 new industrial plants located in North Carolina during this period while additions were built to 53 industrial plants already in operation.

"None of these new plants were lured to North Carolina with promises of tax exemptions, free use of

buildings or with any of the many baits used by some other states," Mr. Anderson said. "These new industries located in North Carolina because this state offered superior advantages, such as nearness to markets and raw materials, mild climate, low maintenance costs, fair taxes and an adequate supply of native-born labor."

A larger number of new industries located in North Carolina during the four months from May through August than during the previous four months. In this period 51 new industries and 27 additions are listed as compared with 42 new industries and 26 additions during the first four months from January through April.

The list of new industries locating in the state shows that hosiery plants are in the lead, since 13 of the 51 new industries recorded for the second four months of 1938 were hosiery mills while 16 of the additions were to existing hosiery plants.

The 51 new industries which located in North Carolina during the second four months period are: cotton goods, 1; dyeing and finishing 2; hosiery, 13; knit goods, 2; silk throwing, 1; feed and meal, 1; furniture, 5; food processing and bottling plants, 10; mines and quarries, 3; chemicals, 1; warehouses, 2; paper and paper products, 3; miscellaneous, 5.

The 27 plants to which additions were made during this same period are: hosiery, 16; dyeing and finishing, 1; knit goods, 1; silk throwing, 1; furniture, 1; cotton goods, 2; and miscellaneous, 5.

STOP IT WITH Alka-Seltzer

Does Headache "slow you down?" You are a rare exception if it does not.

One or two tablets of ALKA-SELTZER in a glass of water makes a pleasant alkalizing solution that usually brings relief in just a few minutes.

ALKA-SELTZER is also recommended for Gas on Stomach, "Morning After", Acid Indigestion, Colds, and Muscular Pains.

You will like the tangy flavor and the results when you take Alka-Seltzer. Alka-Seltzer, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate). In addition, the alkalizing agents in Alka-Seltzer help to relieve those everyday disorders associated with hyper acidity.
