

**PARENTS DAY AT CITADEL**

Parents' Day will be held at The Citadel, the Military College of South Carolina, Charleston, on Saturday, October 29. This offers parents of cadets an opportunity to visit the institution at a time when activities are in full operation or can be inspected without loss of efficiency.

The occasion is informal to give parents the maximum opportunity to be with their sons, but formal enough to permit all to see a little of each phase of the cadet's life.

The program includes registra-

tion; a review of the 1,075 cadets in regimental formation; a brief organ recital in the cadet chapel, with Princeton Dauer at the console of the brilliant organ. Luncheon, featured by an address of welcome by General Charles P. Summerall, president, will be followed by the football game between Wofford College and The Citadel, which starts at 3:30 p.m.

Last year's record attendance will probably be broken this year. Charles Flowers is a cadet officer at the Citadel.

**SPY RING INVESTIGATED**

Deep and widespread interest is

being shown in the investigations of a German Spy Ring in the United States. Arrests have included a deserter from the U. S. Army, a beauty operator on a German liner, a mechanic at an aircraft factory, a private in the eastern air forces at Long Island. Proof is said to be forthcoming that all these have been in the paid service of Germany and against the United States. They are charged with thefts of defense secrets, of specifications for aircraft carriers, of plans for a new periscope, and of confidential information concerning army forces on the Atlantic seaboard.

**Profits From Beans**
